## Voting on a Resolution approving the conferment of an Honorary Degree

### Explanatory Note

In July 2022, Nenad Vranješ, Head of the Electronics Workshop, Inorganic Chemistry Laboratory, retired having completed 44 years of service with the department. During that time, he provided unstinted support for the department's research, designing and building laboratory apparatus and making a substantial intellectual contribution to the development of new equipment to enable new science at international facilities. His in-depth and practical knowledge of electronics, his talent for problem-solving, his creativity and his warm personal skills ensured that many generations of students and postdocs could grow their own careers and develop their confidence.

### Text of Resolution

That the conferment of the Degree of Master of Arts, *honoris causa*, upon Nenad Vranješ be approved.

If the resolution is approved, the degree will be conferred at a ceremony on a date to be confirmed.

## Call for nominations for Honorary Degrees and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred.

Nominations are welcome all year round. Names submitted on or before **17 February 2023** will be considered by the Honorary Degrees Committee for an honorary degree at Encaenia in 2024.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. The committee appreciates the time taken by members of Congregation to bring names to its attention. It will be re-considering names brought to it in the last three years and hopes to receive a wide and diverse selection of new names to add to those.

When considering possible honorands, the committee will focus on individuals in the following categories:

- 1 those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
- 2 those distinguished in the visual, literary, musical and performing arts
- 3 those distinguished in business and industry
- 4 those who have played a distinguished role in public life, for example in contributing to progress and change in society
- 5 those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced and diverse list, which takes account of the global dimension that characterises this University's activities.

It has adopted a target that at least half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees and for degrees by diploma should be submitted on the approved application form, which requires the name of the nominee and a short supporting paragraph. Further information, including the nomination form, is available at <https://governance.admin.ox.ac.uk/committee-on-honorary-degrees> or from the Secretary to the Honorary Degrees Committee ([sarah.cowburn@admin.ox.ac.uk](mailto:sarah.cowburn@admin.ox.ac.uk)). The completed form should be returned to the Secretary by email under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the *University Calendar* and can

also be found on the Committee for Honorary Degrees webpage at <https://governance.admin.ox.ac.uk/committee-on-honorary-degrees>.

## Elections 2 March

---

Please note: in the lists below, the names listed are simply those of the persons currently in office, whose terms of office are now coming to a close (thereby prompting all the vacancies now advertised for election).

### Call for nominations

The nomination period for the elections below will remain open until **4pm on Thursday, 2 February**. More information: <https://governance.admin.ox.ac.uk/elections>.

### Elections by Congregation

#### AUDIT AND SCRUTINY COMMITTEE

- One member of Congregation elected by Congregation from among members of the faculties in the Divisions of Humanities and Social Sciences who shall not serve on Council or on any committee which in the view of Council has mainline executive authority within the University, or hold any office in the University or any college which involves executive authority, to serve with immediate effect until the start of HT 2025 [*vice* Dr Rebecca Surrender]

#### *General information about this constituency*

The Audit and Scrutiny Committee meets at least four times a year, with special meetings held as required. The committee reports to Council its annual opinion on risk management, control, governance, value for money and data management and assurance, and makes additional reports to Council when necessary. The [membership of the committee](#) includes a majority of external members and three members elected by Congregation. It is chaired by an external member of Council.

The [committee's regulations](#) specify its role in providing independent assurance to assist Council in fulfilling

Council's responsibilities for ensuring the adequacy and effectiveness of the University's policies and processes, and its compliance with its statutory obligations.

For further information, please contact the Secretary ([lukasz.bohdan@admin.ox.ac.uk](mailto:lukasz.bohdan@admin.ox.ac.uk)).

#### CURATORS OF THE UNIVERSITY PARKS

- One member of Congregation elected by Congregation to serve until the start of MT 2023 [*vice* Professor Nick Kruger]

#### *General information about this constituency*

This constituency is comprised of 2 persons elected by Congregation.

Elections to this constituency restrict candidates to [persons as defined in Statute J](#). This means that all members of Congregation are eligible to nominate a candidate or to vote, but prospective candidates who want to stand for election must be the resident holder of a teaching, research or administrative post in the University or in any college, society or Permanent Private Hall.

The full term of office is 4 years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

The terms of reference and membership of this body are set out in [Council Regulations 2 of 2004: Part 10](#).

For further information, please contact the Secretary ([aristea.gkontra@admin.ox.ac.uk](mailto:aristea.gkontra@admin.ox.ac.uk)).

#### STATUTE XII: POOL FOR CONSTITUTING PANELS (NON-DIVISIONAL)

- One member of Congregation to whom Statute XII applies, not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation, to serve with immediate effect until the start of MT 2025 [*vice* Dr Kathryn Murphy, Oriel]

*General information about this constituency*

This constituency is comprised of 8 members of Congregation to whom Statute XII applies, not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation.

The full term of office is 4 years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

**STATUTE XII: POOL FOR CONSTITUTING PANELS (UAS)**

- Two members of Congregation to whom Statute XII applies to represent University Administration and Services (UAS), elected by members of Congregation, to serve with immediate effect until HT 2025 [vice Christiana (Kirsty) Allen and Sara C Smith, University Administration and Services]

*General information about this constituency*

This constituency is comprised of 4 members of Congregation to whom Statute XII applies, to represent University Administration and Services (UAS), elected by members of Congregation.

*Further information about the Pool*

Elections to these constituencies restrict candidates to those [members of Congregation to whom Statute XII applies](#) (that is: professors, readers, associate professors or lecturers; any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV; and the Vice-Chancellor to the extent and in the manner set out in Part G of Statute XII). NB: College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St

Cross and Reuben, which follow the University's statutes. Any staff holding joint appointments will, however, be covered by Statute XII in respect of their University contract of employment and duties.

This means that all members of Congregation are eligible to nominate a candidate or to vote, but prospective candidates who want to stand for election must be a member of Congregation to whom Statute XII applies. Members of the Pool will be chosen by lot to serve on a number of Panels under Statute XII (ie Redundancy Panel (Section 14 (6)), Staff Employment Review Panel (Section 35) and University Appeal Panel (Section 52 (2)) and may be expected to also chair a Panel. Before serving on a Panel, each member of the Pool will be required to attend appropriate training, including on equality and diversity, which takes about half a day in total. Because members of the Pool are chosen by lot, it is hard to predict how many times a member will be asked to serve, but at the very most this is likely to be 3 Panels in a year (and often less), which each take around a day - before the hearing there will also be a large bundle of papers to read. Nominations from BME staff, from men and from academic and research staff are particularly encouraged. No particular skills/experience are necessary, but an interest in staffing matters is helpful.

The terms of reference and membership of this body are set out in [Council Regulations 3 of 2017](#).

For further information, please contact the Secretary ([kathryn.fairhurstjones@admin.ox.ac.uk](mailto:kathryn.fairhurstjones@admin.ox.ac.uk)).

**Divisional Boards****MEDICAL SCIENCES DIVISIONAL BOARD**

- One person from among the staff who are not Heads of Department or statutory professors who are members of the Faculty of Biochemistry, the Faculty of Clinical Medicine, the Faculty of Physiological Sciences and the Faculty of Psychological Studies, elected jointly by the members of the Faculty of Biochemistry, the Faculty of Clinical Medicine, the Faculty of Physiological Sciences and the Faculty of Psychological Studies to serve with immediate effect until the start of MT 2025 [vice Professor Heidi Johansen-Berg]

*General information about this constituency*

Elections to this constituency restrict candidates as listed in the vacancy details above.

The full term of office is 4 years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

Participation on the board offers members the opportunity to participate in divisional decision making and to collaborate with other colleagues across the division and the wider university. Members are expected to prepare for the meeting and to contribute to topics of discussion and to decision making; members may also propose items for the board's agenda. There is no expectation that members will serve on other committees although opportunities may be offered. The role of the board is set out on the divisional website: [www.medsci.ox.ac.uk/about/the-division/committees/medical-sciences-board](http://www.medsci.ox.ac.uk/about/the-division/committees/medical-sciences-board).

The terms of reference and membership of this body are set out in [Council Regulations 17 of 2002](#).

For further information, please contact the Secretary ([carolyn.mckee@medsci.ox.ac.uk](mailto:carolyn.mckee@medsci.ox.ac.uk)).

## General Notes

### *Electronic elections*

The elections on Thursday, 2 March 2023 will be conducted electronically.

### *Nominations*

Hard copies of nomination forms will not be processed. Completed [nomination forms](#) must be sent as an email attachment to the Elections Office ([elections.office@admin.ox.ac.uk](mailto:elections.office@admin.ox.ac.uk)) by **4pm on Thursday, 2 February**. Please ensure that the nominators listed in section D are also copied into the email when the nomination form is submitted, as this will act as verification of the nomination in lieu of supplying original signatures.

### *General requirements and eligibility*

All candidates are asked to note the general requirements which apply to all committee members, as set out in [Council Regulations 14 of 2002 \(General Regulations of Council for Committees\)](#). Current members seeking re-election are also asked to check for specific restrictions on consecutive service. For further information, please see the [eligibility](#) and [amendments to nominations](#) sections within the [Information about University elections pages](#) of the [Elections website](#).

### *Candidate's statement*

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought.

### *Contested elections*

In the event of a contested election, the successful candidates will be determined by an electronic ballot. An email with further instructions will be sent to eligible voters on **Wednesday, 15 February**, using the email addresses provided in the electronic register of Congregation (NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.

ac.uk'). Candidates' statements will be published both on the [Elections website](#) and in the *Gazette* dated Thursday, 16 February. Voters may wish to read these statements before completing their electronic vote. The voting period will close at **4pm on Thursday, 2 March**.

### *Uncontested elections*

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on **Thursday, 2 February**. When required, places will be allocated according to academic standing, as defined in [Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing](#). If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

### *Period of office*

All vacancies are with immediate effect unless otherwise stated. Candidates elected unopposed will take up office as soon as practicable after the result of the election is known (for uncontested elections, this will be as of the close of the nomination period; for contested elections, this will be as of the close of the voting period). In accordance with [Congregation Regulations 2 of 2002](#), in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if 2 candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.

### *Further information*

For further information, please contact the Elections Officer ([elections.office@admin.ox.ac.uk](mailto:elections.office@admin.ox.ac.uk)).
