General information about this constituency

This constituency is comprised of 4 members of Congregation to whom [Statute XII](#) applies, to represent the Division of Humanities, elected by members of

Congregation.

Elections to this constituency restrict candidates to those members of Congregation to whom [Statute XII](#) applies (that is: professors, readers, associate professors or lecturers; any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV; and the Vice-Chancellor to the extent and in the manner set out in Part G of Statute XII).

College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St Cross and Reuben, which follow the University's statutes. Any staff holding joint appointments will, however, be covered by Statute XII in respect of their University contract of employment and duties.

This means that all members of Congregation are eligible to nominate a candidate or to vote, but prospective candidates

who want to stand for election must be a member of Congregation to whom Statute XII applies. By convention, it is expected that candidates for election to represent this constituency will also be a member of the Humanities Division.

The full term of office is four years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

STATUTE XII POOL FOR CONSTITUTING PANELS (NON-DIVISIONAL)

- One member of Congregation to whom Statute XII applies not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation, to serve until MT 2025 [vice Mr Kevin Rodd, GLAM Divisional Office]

Further information about the Pool

Members of the Pool will be chosen by lot to serve on a number of Panels under Statute XII (ie Redundancy Panel (Section 14 (6)), Staff Employment Review Panel (Section 35) and University Appeal Panel (Section 52 (2)) and may be expected to also chair a Panel. Before serving on a Panel, each member of the Pool will be required to attend appropriate training, including on equality and diversity, which takes about half a day in total. Because members of the Pool are chosen by lot, it is hard to predict how many times a member will be asked to serve, but at the very most

this is likely to be 3 Panels in a year (and often less), which each take around a day – before the hearing there will also be a large bundle of papers to read. Nominations from BME staff, from men and from academic and research staff are particularly encouraged. No particular skills/experience are necessary, but an interest in staffing matters is helpful. The terms of reference and membership of this body are set out in [Council Regulations 3 of 2017](#). For further information, please contact the Secretary (kathryn.fairhurstjones@admin.ox.ac.uk).

Divisional Boards

MEDICAL SCIENCES BOARD

- One person from among the externally-funded research staff who are members of the Faculty of Biochemistry, the Faculty of Clinical Medicine, the Faculty of Physiological Sciences and the Faculty of Psychological Studies, elected jointly by the members of the Faculty of Biochemistry, the Faculty of Clinical Medicine, the Faculty of Physiological Sciences and the Faculty of Psychological Studies to serve until the start of MT 2025 [vice Professor Colin Baigent]

General information about this constituency

Elections to this constituency restrict candidates to externally funded research staff who are members of the Faculty of Biochemistry, the Faculty of Clinical Medicine, the Faculty of Physiological Sciences and the Faculty of Psychological Studies. This means that all members of the four faculties within the Medical Sciences Division are eligible to nominate a candidate or to vote, but prospective candidates who want to stand for

election must also be a member of externally funded research staff.

The full term of office is four years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

Participation on the board offers members the opportunity to participate in divisional decision making and to collaborate with other colleagues across the division and the wider university. Members are expected to prepare for the meeting and to contribute to topics of discussion and to decision making; members may also propose items for the board's agenda. There is no expectation that members will serve on other committees although opportunities may be offered. We are keen to ensure that our divisional representation on this board reflects the diversity of our staff body, as such we are particularly interested in receiving nominations from disabled academics and racially/ethnically minoritised academics. The role of the board is set out on the divisional website: www.medsci.ox.ac.uk/about/the-division/committees/medical-sciences-board. The terms of reference and membership of the board are set out in [Council Regulations 17 of 2002](#).

The board meets twice per term. Meetings are scheduled for 2.5 hours but usually run for 1.5 hours. For further information, please contact the Secretary (carolyn.mckee@medsci.ox.ac.uk).

Please ensure that the nominators listed in section D are also copied into the email when the nomination form is submitted, as this will act as verification of the nomination in lieu of supplying original signatures.

General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in [Council Regulations 14 of 2002 \(General Regulations of Council for Committees\)](#). Current members seeking re-election are also asked to check for specific restrictions on consecutive service. Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. An email with further instructions will be sent to eligible voters on Wednesday 8 November, using the email addresses provided in the electronic register of Congregation (NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.ac.uk'). Candidates' statements will also be published in the

Gazette dated 9 November. Voters may wish to read these statements before completing their electronic vote. The voting period will close at 4pm on 23 November.

Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on Thursday 26 October. When required, places will be allocated according to academic standing, as defined in [Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing](#). If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

Period of office

All vacancies are with immediate effect unless otherwise stated. In accordance with [Congregation Regulations 2 of 2002](#), in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.
