### Vacancies for Appointment by Council and/or its GPC

Council's General Purposes Committee (GPC) invites members of the University (subject to eligibility) to submit expressions of interest in relation to the following vacancies to which it or Council appoints.

Expressions of interest must be received by the Council Secretariat (shirley.mulvihill@admin.ox.ac.uk) by **4pm on 27 November**.

Any eligible person who wishes to have his or her name put forward for consideration is encouraged to speak with his or her head of division or head of house, and/or with the relevant committee members or officers to obtain more information about the role, prior to submitting an expression of interest. Expressions received from individuals will be collated by the Council Secretariat with those names received through other routes (such as via heads of division, heads of house or committee officers directly). All names will then be reviewed by the Registrar and Vice-Chancellor prior to being forwarded to GPC and/or Council for consideration as the appointing bodies for these committees.

The purpose of this invitation is to broaden the pool of potential candidates brought to the attention of the appointing body. The names put to the appointing body are only suggestions. It should be noted that the appointing body remains free to take its own decision, irrespective of any names received through this route. In particular, to support the commitments made by the University under its equality scheme, the appointing body will take into consideration the overall balance of membership on the body concerned, with reference to the appropriate representation of ethnicity, disability, age and gender.

**Consultative Notices****Committee on Statutes before the Privy Council****MERTON COLLEGE: REVISED STATUTES**

The Committee on Statutes before the Privy Council, acting under authority delegated to it by Council, is minded to give consent on behalf of the University to the revised statutes of Merton College, approved by the Governing Body on 5 November 2014, in so far as such consent is required by section 7 (2) of the Universities of Oxford and Cambridge Act, 1923. The consent of the committee to the amendments to the statutes will be effective 11 days after publication of this notice unless written notice of a resolution, signed by at least 20 members of Congregation, calling upon Council to withhold that consent, has been given to the Registrar by **noon on Monday, 8 December**.

The revised statutes constitute a comprehensive revision and modification of the previous statutes to remove obsolete, superfluous and superseded material. The revisions also include the following changes: (i) the addition of new provisions governing the custody of the college seal, remuneration of trustees, reimbursement of trustee expenses, services provided by trustees and the management of conflicts of interest; (ii) the procedures for appointing a Warden and the terms of appointment have been simplified to allow for greater flexibility; (iii) definitions of classes of Fellows have been clarified and extended to allow *inter alia* for short-term appointment as members of the Governing Body of a small number of 'external' persons who are neither officers of the college nor persons holding posts within the University; (iv) new statutes have been introduced containing details of the circumstances in which a Fellowship must be vacated, including disqualification from serving as a trustee under the Charities Act 2006; (v) the addition of new provisions governing Junior Members; and (v) an amendment to the provisions governing the Visitor to take into account the enactment of the Higher Education Act 2004.

**University Policy on Gifts and Hospitality**

On 14 July 2014, Council approved amendments to the University's Gifts and Hospitality Policy following feedback from departments about the record-keeping requirements of the policy. In summary, Council agreed to raise the threshold for record-keeping in relation to gifts and hospitality received or provided from £100 to £250 (either in a single transaction or cumulatively over any rolling 12-month period), where such gifts and hospitality are directly connected with the University's core activities of teaching and research, and where there is clearly no intention, or appearance, of undue influence. The purpose of the change is to reduce the administrative burden for departments, through relying on the judgement of individual academics, while still maintaining adequate and effective procedures to mitigate the risk of bribery occurring. The revised policy can be viewed at [www.admin.ox.ac.uk/councilsec/compliance/giftshospitality/giftshospitalitypolicy](http://www.admin.ox.ac.uk/councilsec/compliance/giftshospitality/giftshospitalitypolicy) (sections 2.3.1, 3.4.1 and 4.1.2 have been updated).
