### Nomination of an external member of Council

Under regulation 9.3 of Congregation Regulations 2 of 2002, the nomination below shall be deemed to be approved unless not later than **4pm on 28 November** the Registrar has received from not fewer than 20 members of Congregation a written request for a postal ballot to be taken in respect of that nomination.

### Approval of the nomination of Charles Harman as an external member of Council

The nomination by Council, under the provisions of section 4 (7)–(10) of Statute VI, of Charles Harman as an external member of Council for four years from Hilary term 2020, is submitted for approval.

#### Notes on the nominated external member of Council

Charles Harman has over 30 years' experience in a variety of commercial and banking roles. He graduated in Philosophy, Politics and Economics (Magdalen, 1984) and joined Credit Suisse First Boston as a graduate recruit, where he was appointed as Managing Director in 1993. Following this he worked in other investment banking roles, particularly focusing on emerging markets.

He joined Cazenove in 2001 as Managing Director, advising a range of FTSE 100 companies, and, following the acquisition of the firm by JP Morgan, was made Head of UK Investment Banking at JP Morgan. In 2011 he was appointed Chief Executive Officer of BXR Partners, an emerging markets investment group, where he was responsible for successfully realigning the firm's investment business across several new sectors and geographical regions, including Africa and South America.

In 2015 he returned to JP Morgan as Vice-Chairman and has responsibility for some of the firm's largest clients from the UK and South Africa.

Charles is also a business ambassador and Chair of the London Leadership Team of United Purpose, an international

development charity, and Chair of Peters, Fraser & Dunlop, a UK-based literary agency and publisher. He has been a member of Council since Hilary term 2018 and also serves on the Finance Committee, the Nominations Committee and the Committee to Review the Salaries of Senior University Officers.

### Call for nominations for Honorary Degrees and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred. Nominations are welcome all year round - names submitted on or before **2 March 2020** will be considered by the Honorary Degrees Committee for an honorary degree at Encaenia in 2021.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. The Committee appreciates the time taken by members of Congregation to bring names to its attention. It will be re-considering names brought to it in the last three years and hopes to receive a wide and diverse selection of new names to add to those.

When considering possible honorands, the committee will focus on individuals in the following categories:

- 1** those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
- 2** those distinguished in the visual, literary, musical and performing arts
- 3** those distinguished in business and industry
- 4** those who have played a distinguished role in public life, for example in contributing to progress and change in society
- 5** those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced and diverse list, which takes account of the global dimension that characterises this University's activities.

It has adopted a target that at least half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees and for degrees by diploma should be submitted on the approved application form, which requires the name of the nominee and a short supporting paragraph. Further information and copies of the form are available at <https://governance.admin.ox.ac.uk/honorary-degrees-and-degrees-by-diploma> (single sign-on required), or from the Secretary to the Honorary Degrees Committee ([sarah.cowburn@admin.ox.ac.uk](mailto:sarah.cowburn@admin.ox.ac.uk), (2)70193). The completed form should be returned to the Secretary by email under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the *University Calendar* and on the aforementioned website.

All those employed by the University in academic or senior research roles are eligible to apply, as are other University employees who are making a significant and sustained academic contribution to the University.
