Congregation 17 December

Voting on a Resolution authorising the allocation of space in New Radcliffe House to the Department of Experimental Psychology.

Corrigendum

The version of this notice published in the 21 November issue of the *Gazette* used an incorrect name for the building being allocated.

Explanatory Note

The Department of Experimental Psychology currently occupies approximately 2,118 sqm net usable area within New Radcliffe House on the Radcliffe Observatory Quarter, with the department’s current allocation set to expire on 20 April 2025. This space requirement arises from the ongoing construction and subsequent fit-out of the Life and Mind Building (LaMB), which is currently anticipated to reach practical completion in March 2025. Replacing the demolished Tinbergen Building, LaMB will eventually house the Departments of Biology and Experimental Psychology, and part of Biochemistry. The relocation of the Department of Experimental Psychology to LaMB is scheduled to follow fit-out works in the three months following practical completion. The requested extension will provide a buffer to accommodate the fit-out phase and any unforeseen delays.

Text of Resolution

That approximately 2,118 sqm NUA within New Radcliffe House be allocated to the Department of Experimental Psychology for an ongoing period of approximately three months, from 21 April 2025 until 31 July 2025, or until completion of and relocation to the Life and Mind Building, if sooner.

Meeting information

Members of Congregation are reminded that any two members may, not later than **noon on 9 December**, give notice in writing to the Registrar that they wish to oppose or amend the resolution above (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned the resolutions shall be declared carried, and the meeting may be cancelled.

Note on procedures in Congregation

Business in Congregation is conducted in accordance with Congregation Regulations 2 of 2002 (<https://governance.admin.ox.ac.uk/legislation/congregation-regulations-2-of-2002>).

A printout of these regulations, or of any statute or other regulations, is available from the Council Secretariat on request.

A member of Congregation seeking advice on questions relating to its procedures, other than elections, should contact Louise Hasler, Council Secretariat, University Offices, Wellington Square (email: congregation.meeting@admin.ox.ac.uk); questions relating to elections should be directed to the Elections Officer, Ms S L S Mulvihill (email: elections.office@admin.ox.ac.uk).
