- One member of Congregation to whom Statute XII applies, not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation to serve with immediate effect until the start of MT 2025 [*vice* Professor Timothy Power]

It is expected that candidates for election to represent the Division of Medical Social Sciences will also be members of the Division of Medical Sciences. However, please note that a candidate may not be nominated to more than one constituency on the same committee at the same time. For further information, please see the eligibility and amendments to nominations sections at <https://governance.admin.ox.ac.uk/elections-by-congregation>. Statute XII applies to: a professors, readers and associate professors or lecturers; b any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV. In Statute XII, any reference to ‘a member of the academic

staff’ is a reference to a person to whom the statute applies Statute XII, Section 3 1 and 2 <https://governance.admin.ox.ac.uk/legislation/statute-xii-academic-staff-and-the-visitorial-board>. College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St Cross and Reuben, which follow the University’s statutes. Any staff holding joint appointments will, however, be covered by Statute XII in respect of their University contract of employment and duties. Members of the Pool will be chosen by lot to serve on a number of Panels under Statute XII ie Redundancy Panel Section 14 6, Staff Employment Review Panel Section 35 and University Appeal Panel Section 52 2 and may also be expected to chair a Panel. Each member of the Pool will be required to attend appropriate training, including on equality and diversity, before serving on a Panel. Nominations

Hard copies of nomination forms will not be processed. Completed nomination forms should be sent as an email attachment to the Elections Office elections.office@admin.ox.ac.uk by **4pm on 28 October**. At least one nomination in respect of each candidate must be made on an official nomination form <https://governance.admin.ox.ac.uk/nomination-forms>. Please ensure that the nominators listed in section D are also copied into the email when the nomination form is submitted, as this will act as verification of the nomination in lieu of supplying original signatures.

General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in Council Regulations 14 of 2002 General Regulations of Council for Committees <https://governance.admin.ox.ac.uk/legislation/council-regulations-14-of-2002>. Current members seeking re-election are also asked to check for specific restrictions on consecutive service. For further information, please see the eligibility <https://governance.admin.ox.ac.uk/elections-by-congregation#collapse1580081> and amendments to nominations <https://governance.admin.ox.ac.uk/key-election-stages-and-procedures#collapse1577651> sections within the Information about University elections <https://governance.admin.ox.ac.uk/information-about-university-elections> pages of the Elections website <https://governance.admin.ox.ac.uk/elections>.

Candidate statements

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought. In the event of a contested election, these statements will be published both online and in the *Gazette*.

Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. An email with further instructions will be sent to eligible voters on Wednesday, 10 November, using the email addresses provided in the electronic

register of Congregation NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.ac.uk'. Candidates' statements will be published in the *Gazette* dated 11 November. Voters may wish to read these statements before completing their electronic vote. The voting period will close at **4pm on 25 November**.

Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on Thursday, 28 October. When required, places will be allocated according to academic standing, as defined in Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing <https://governance.admin.ox.ac.uk/legislation/council-regulations-22-of-2002>. If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

Period of office

All vacancies are from the beginning of HT 2022 unless otherwise stated. In accordance with Congregation Regulations 2 of 2002, in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.
