## Note on procedures in Congregation

¶ Business in Congregation is conducted in accordance with Congregation Regulations 2 of 2002 (<https://governance.admin.ox.ac.uk/legislation/congregation-regulations-2-of-2002>). A printout of these regulations, or of any statute or other regulations, is available from the Council Secretariat on request. A member of Congregation seeking advice on questions relating to its procedures, other than elections, should contact Mrs R Thomas at the University Offices, Wellington Square (telephone: (2)80317; email [rebecca.thomas@admin.ox.ac.uk](mailto:rebecca.thomas@admin.ox.ac.uk)); questions relating to elections should be directed to the Elections Office (email: [elections.office@admin.ox.ac.uk](mailto:elections.office@admin.ox.ac.uk)).

**While COVID-19 working restrictions remain in place, any notice that needs to be given to the Registrar in writing should be sent by email to [registrar@admin.ox.ac.uk](mailto:registrar@admin.ox.ac.uk). Notices sent to the University Offices may not be received.**

Consultative Notices

## Call for nominations for Honorary Degrees and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred. Nominations are welcome all year round - names submitted on or before **28 January 2022** will be considered by the Honorary Degrees Committee for an honorary degree at Encaenia in 2023.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. The committee appreciates the time taken by members of Congregation to bring names to its attention. It will be re-considering names brought to it in the last three years and hopes to receive a wide and diverse selection of new names to add to those.

When considering possible honorands, the committee will focus on individuals in the following categories:

- 1 those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
- 2 those distinguished in the visual, literary, musical and performing arts
- 3 those distinguished in business and industry
- 4 those who have played a distinguished role in public life, for example in contributing to progress and change in society
- 5 those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced and diverse list, which takes

account of the global dimension that characterises this University's activities.

It has adopted a target that at least half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees and for degrees by diploma should be submitted on the approved application form, which requires the name of the nominee and a short supporting paragraph. Further information, including the nomination form, is available at <https://governance.admin.ox.ac.uk/committee-on-honorary-degrees> or from the Secretary to the Honorary Degrees Committee ([sarah.cowburn@admin.ox.ac.uk](mailto:sarah.cowburn@admin.ox.ac.uk)). The completed form should be returned to the Secretary by email under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the *University Calendar* and [can also be found](#) on the Committee for Honorary Degrees webpage at <https://governance.admin.ox.ac.uk/committee-on-honorary-degrees>.
