## Consultative Notices

### Call for nominations for Honorary Degrees and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred. Nominations are welcome all year round - the deadline for nominations to be considered for Encaenia 2020 is **3 May**.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. The Committee appreciates the time taken by members of Congregation to bring names to its attention. It will be re-considering names brought to it in the last three years and hopes to receive a wide and diverse selection of new names to add to those.

When considering possible honorands, the committee will focus on individuals in the following categories:

- 1** those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
- 2** those distinguished in the visual, literary, musical and performing arts
- 3** those distinguished in business and industry
- 4** those who have played a distinguished role in public life, for example in contributing to progress and change in society
- 5** those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced and diverse list, which takes account of the global dimension that characterises this University's activities.

It has adopted a target that half of the final list of names proposed to Congregation for

the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees and for degrees by diploma should be submitted on the approved application form, which requires the name of the nominee and a short supporting paragraph. Further information and copies of the form are available at [www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs](http://www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs) (single sign-on required) or from the Secretary to the Honorary Degrees Committee ([sarah.cowburn@admin.ox.ac.uk](mailto:sarah.cowburn@admin.ox.ac.uk), (2)70193). The completed form should be returned to the Secretary by email under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee. The committee will report to Council and a list of honorands for Encaenia 2020 will be put to Congregation in due course.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the University Calendar and on the aforementioned website.

The honorands at Encaenia 2019 will be:

Professor Daniel Kahneman  
 Professor Sir Simon Wessely  
 Professor Andrea Ghez  
 Professor Shafira Goldwasser  
 Dr Cyrus Poonawalla  
 Ustad Rahat Fateh Ali Khan  
 Yo-Yo Ma  
 Professor Jennifer Doudna

21 June

**Election of the Professor of Poetry**

An election by Convocation will be held in Trinity term 2019 in order to elect the Professor of Poetry, to hold office for four years from the first day of Michaelmas term 2019. A meeting of Convocation will be held on Friday, 21 June 2019, to announce the results.

**DUTIES AND STIPEND OF THE PROFESSOR**

The duties of the Professor are: normally to give one public lecture each term on a suitable literary subject (where the term 'public lecture' does not include poetry readings or recitals or other such events); to deliver an inaugural lecture; normally to offer one more event each term (which may include poetry readings, workshops, hosted events etc); to give the Creweian Oration at Encaenia every other year (a duty established by convention); each year, to be one of the judges for the Newdigate Prize, the Jon Stallworthy Prize, the Lord Alfred Douglas Prize and the Chancellor's English Essay Prize; every third year to help judge the prize for the English poem on a sacred subject; and generally to encourage the art of poetry in the University.

The Professor receives a stipend of £12,710 per annum which is increased in line with the annual cost-of-living increases for academic and related staff, plus £40 for each Creweian Oration. The Professor may hold the post in conjunction with another professorship or readership within the University. The post enjoys an association with All Souls College, but there may be occasions when the postholder is offered an association by another college (eg if the postholder has a prior association with another college).

Further particulars for the Professorship are available on the University website ([www.ox.ac.uk](http://www.ox.ac.uk)). Informal enquiries about the post should be addressed to the Chair of the Faculty Board, Professor Ros Ballaster, who can be contacted by email at [chair@ell.ox.ac.uk](mailto:chair@ell.ox.ac.uk). All enquiries will be treated in strict confidence.

All members of Convocation are eligible to nominate a candidate and to vote in this election. Nominations must be made online via [www.ersvotes.com/oxfordpoetry19](http://www.ersvotes.com/oxfordpoetry19) by **4pm on Thursday, 9 May**.

*Convocation*

Convocation consists of all the former student members of the University who have been admitted to a degree (other than an honorary degree) of the University, and of any other persons who are members of Congregation or who have retired having been members of Congregation on the date of their retirement.

Membership of Convocation is conferred automatically to members of Congregation whose names have been entered in the Register of Congregation and to Oxford degree-holders after having attended a formal degree ceremony (either in person or *in absentia*). Those wishing to verify their current status as members of Convocation are asked to contact their college secretary or departmental administrator.

The functions of Convocation are set out in the University Statutes ([www.admin.ox.ac.uk/statutes/780-121.shtml](http://www.admin.ox.ac.uk/statutes/780-121.shtml)).

Each candidate will have access to a secure area on the ERS website to draft, save and upload supporting materials for publication (such as a photo and candidate statement).

Registered candidates' names will be published online as prospective candidates until they have been nominated by the required 50 members of Convocation, when their names will be published as official candidates.

Candidates may submit for publication a written statement, of no more than

500 words, setting out their reasons for standing. The statement may include links to websites, podcasts or other social media. The statement must be uploaded by **4pm on Thursday, 9 May**. In the event of a contested election, these statements will be published online and in the *University Gazette* following the close of the nomination period.

The names of those nominators, whose eligibility to nominate has been verified, will be published online.

Please note that members who register to nominate a candidate will not have to register again to vote (see 'Voter registration' below) because membership of Convocation will be verified at the time of submitting the nomination.

#### *Voting arrangements*

If the election is not contested the result will be announced online and in the *Gazette* following the close of nominations. #### **UK Brain Bank for Autism and Related Developmental Research, JR.**

The developing brain is altered in autism but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do - and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See <https://grand.tghn.org/autism-brain-bank> for information and to register as a donor.
