Call for nominations for Honorary Degrees and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred. Nominations are welcome all year round - the deadline for nominations to be considered for Encaenia 2020 is 3 May.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. The Committee appreciates the time taken by members of Congregation to bring names to its attention. It will be re-considering names brought to it in the last three years and hopes to receive a wide and diverse selection of new names to add to those.

When considering possible honorands, the committee will focus on individuals in the following categories:

1. those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
2. those distinguished in the visual, literary, musical and performing arts
3. those distinguished in business and industry
4. those who have played a distinguished role in public life, for example in contributing to progress and change in society
5. those who have made a significant contribution to the activities of the University of Oxford – such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced and diverse list, which takes account of the global dimension that characterises this University's activities.

It has adopted a target that half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees and for degrees by diploma should be submitted on the approved application form, which requires the name of the nominee and a short supporting paragraph. Further information and copies of the form are available at www1.admin.ox.ac.uk/ councilsec/governance/committees/hondegs (single sign-on required) or from the Secretary to the Honorary Degrees Committee (sarah.cowburn@admin.ox.ac.uk, (2)70193). The completed form should be returned to the Secretary by email under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee. The committee will report to Council and a list of honorands for Encaenia 2020 will be put to Congregation in due course.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the University Calendar and on the aforementioned website.
The honorands at Encaenia 2019 will be:

- Professor Daniel Kahneman
- Professor Sir Simon Wessely
- Professor Andrea Ghez
- Professor Shafrira Goldwasser
- Dr Cyrus Poonawalla
- Ustad Rahat Fateh Ali Khan

All members of Convocation are entitled to nominate a candidate in this election.

Nominations by 50 members of Convocation other than the candidate (who need not be a member of Convocation) must be submitted online (www.ersvotes.com/oxfordpoetry19) by **4pm on Thursday, 9 May.** The names of those nominators, whose eligibility to nominate has been verified, will be published online.

Please note that members who register to nominate a candidate will not have to register again to vote (see ‘Voter registration’ below) because membership of Convocation will be verified at the time of submitting the nomination.

**Voting arrangements**

If the election is not contested the result will be announced online and in the **Gazette** following the close of nominations. In the event of a contested election, an online ballot will be conducted by the Electoral Reform Services in accordance with the following procedures and the results announced at a meeting of Convocation on Friday, 21 June.

**Voter registration**

All members of Convocation who wish to vote in this election must register their intention to vote on www.ersvotes.com/oxfordpoetry19 by **noon on Thursday, 6 June** (BST). Once you have submitted your request to register, your details will be checked to ensure you are a member of Convocation and eligible to vote in this election. You will be notified by email if your request has been **unsuccessful.** If you are unable to register online, or have any queries about the registration process, a telephone helpline will be available during the registration period.

**Result of a contested election**

The result of a contested election will be announced in a meeting of Convocation at 3pm on Friday, 21 June, in Convocation House. Members of Convocation wishing to attend the meeting are asked to note that the wearing of gowns is optional. The result will subsequently be reported on the University’s website and published in the **Gazette.**

UK Brain Bank for Autism and Related Developmental Research, JR. The developing brain is altered in autism but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Contact tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do – and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See https://grand.tghn.org/autism-brain-bank for information and to register as a donor.
