Council and Main Committees

General Purposes Committee of Council

Changes in Regulations

The General Purposes Committee of Council has made the following changes in regulations, to come into effect on **14 November**.

(a) Beaconsfield Prize in Physiological Sciences

Explanatory Note

These changes replace the out-of-date reference to the Faculty of Physiological Sciences in regulation 2, regarding the managerial responsibility for the trust fund relating to the Beaconsfield Prize in Physiological Sciences, with reference instead to the Medical Sciences Board.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, amend existing §21 relating to the Beaconsfield Prize in Physiological Sciences as follows (new text underlined, deleted text scored through):

'1. The University accepts with gratitude an anonymous gift of £10,000 in memory of Dr Peter Beaconsfield to create a fund the income of which shall be applied to the establishment of the Peter Beaconsfield Prize in Physiological Sciences.

2. The prize shall be awarded under rules approved by the Medical Sciences Board of the Faculty of Physiological Sciences, which shall be the board of management of the prize.'

(b) Voltaire Foundation Fund

Explanatory Note

These amendments record changes to the way appointments to the management board of the Voltaire Foundation Fund are made, and correct the out-of-date reference to the Curators of the Taylor Institution, such that the appointments process can be handled directly by the Humanities Division.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, amend existing §363 relating to the Voltaire Foundation Fund, as

follows (new text underlined, deleted text scored through):

'1. The University accepts with gratitude the bequest of the late T D N Besterman, which shall form a fund to be called the Voltaire Foundation Fund.

2. The said fund shall be applied to the completion or continuation of the publications and research within the field of Enlightenment and eighteenth-century studies begun by the late T.D.N. Besterman, and, as and when progress on these allows, the undertaking of other publications and research projects of a similar nature, the financing of scholarships, lectureships, and research within the same field and the improvement of research collections and facilities in the Taylor Institution with these aims in view.

3. The fund shall be administered by a committee consisting of the following: board of management appointed by the Humanities Division Board. The board of management shall be responsible for applying the income and, in its discretion, the capital of the fund.

~~(1)–(2) two persons appointed by Council;~~

~~(3)–(8) six persons appointed by the Curators of the Taylor Institution.~~

~~The period of office of appointed members shall be four years and they shall be reeligible. Casual vacancies shall be filled for the unexpired residue of the period. The committee may co-opt not more than three additional members for periods of four years.~~

~~4. The committee shall present an annual report and accounts to the Curators of the University Chest and to the Curators of the Taylor Institution.'~~

(c) Establishment of the Bahari Visiting Fellowship in the Persian Arts of the Book Fund

Explanatory Note

These regulations establish the Bahari Visiting Fellowship in the Persian Arts of the Book Fund for the purpose of establishing and maintaining the Bahari Visiting Fellowship in the Persian Arts of the Book in the University.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §18 as follows, and renumber existing §19 onwards by plus one:

Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Bahari Visiting Fellowship in the Persian Arts of the Book Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, towards establishing and maintaining the Bahari Visiting Fellowship in the Persian Arts of the Book in the University.

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Curators of the University Libraries.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management

and administration of the Fund and the Fellowship.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Lectureship.

Congregation 18 November 2pm

Possible changes to Statute XII: topic for discussion

A Discussion on the topic of 'Possible changes to Statute XII' will take place at the Congregation meeting on 18 November (week 6) at 2pm.

In Hilary term 2014, members of Congregation and all University staff were invited to respond to a consultation about possible changes to Statute XII, the statute that governs matters such as discipline, dismissal and grievance procedures for all University staff of grade 6 and above. The consultation identified a number of shortcomings of the present statute and sought views on various amendments that could be made to the statute in order to address them. In the light of the responses received, Personnel Committee has identified a number of possible changes for discussion, and these are set out in the supplement published with *Gazette* No 5074, 23 October 2014. The Discussion in Congregation will provide an opportunity for views to be expressed before detailed proposals are developed for a second round of consultation.

Following the Discussion at Congregation and the publication of its proceedings in the *Gazette*, there will be an opportunity for University staff to send in by email further comment arising from the Discussion.

Arrangements for the meeting

The meeting will be held in the Sheldonian Theatre. Given the coverage of the statute and the role of the Discussion in the consultation process, employees of the University who are not members of Congregation will be welcome to attend and to speak (on the basis set out below). The meeting will also be open to the nominated representatives of the Oxford University Student Union (OUSU) as agreed in advance by the Vice-Chancellor. Admittance to the theatre will be on the production of a valid University card and will be on a first-come, first-served basis (places will be reserved for scheduled speakers). The doors of the theatre will open at 1.45pm.

The Vice-Chancellor has decided that the wearing of gowns shall be optional on this occasion.

Advance notice by speakers

Those wishing to speak at the meeting will be expected to limit their contributions to five minutes. As the meeting is expected to close by 4.30pm, it may not be possible to call all those who wish to speak, and priority will be given to members of Congregation. If you wish to speak at the meeting, you are asked to indicate this intention in advance by emailing congregation.meeting@admin.ox.ac.uk. It would be helpful if those intending to speak would explain briefly (in no more than 25 words) what issues they wish to cover. Names of those who have indicated a wish to speak, together with the issues they wish to raise, will be published on the Congregation website (www.admin.ox.ac.uk/councilsec/governance/congregation). This sharing of information may be of use both to other speakers and to those considering attending; it will also be used to provide structure to the order in which speakers are called. Speakers are asked to provide their information as soon as possible, and by **noon on Friday 14 November** at the latest, if they wish to be scheduled to speak. If time permits, those who have not indicated in advance an intention to speak will still be free to do so. The Vice-Chancellor will also invite two nominated representatives of OUSU to speak.

Transcript

It is intended that a transcript¹ of the meeting will be published in the *Gazette* of 27 November and, before then, on the University website (www.admin.ox.ac.uk/councilsec/governance/congregation). As a result of time constraints, it will not be possible to check the report of the proceedings with individual speakers before publication.

¹The transcript may be edited for legal reasons.
