Council and Main Committees

General Purposes Committee of Council

The General Purposes Committee of Council has made the following changes to regulations, to come into effect on **18 March**.

(a) Professorship of Statistical Science

Explanatory Note

The following changes, made on the recommendation of the Mathematical, Physical and Life Sciences Division and the Department of Statistics, update outdated wording in the regulations.

Text of Regulations

In Council Regulations 24 of 2002, concerning individual professorships, amend the Professorship of Statistical Science (new text underlined, deleted text struck through):

‘Professor of Statistical Science

1. The Professor of Statistical Science shall undertake research in and shall lecture and give instruction in Statistical Science, and shall generally promote the study of that subject in the University.

2. The professor shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor, ~~or, if the President of St Anne’s College is Vice-Chancellor, a person appointed by Council on the occurrence of a vacancy to act as an elector on that occasion;~~

(2) the Principal of St Anne’s College, or if the Principal is unable or unwilling to act, a person appointed by the governing body of St Anne’s College on the occurrence of a vacancy to act as an elector on that occasion;

(3) a person appointed by the governing body of St Anne’s College;

(4), (5) two persons appointed by Council;

~~(5);~~ (6) two persons appointed by the General Mathematical, Physical and Life Sciences Board;

(7)–(9) three persons appointed by the Board of the Faculty of Mathematical Sciences Department of Statistics.

3. The professor shall be subject to the General Provisions of the ~~decree~~ regulations governing the duties of professors and to those Particular Provisions of the same ~~decree~~ regulations which are applicable to this chair.’

(b) Sherardian Professorship of Botany

Explanatory Note

The following changes, made on the recommendation of the Mathematical, Physical and Life Sciences Division and the Department of Plant Sciences, update outdated wording in the regulations.

Text of Regulations

In Council Regulations 24 of 2002, concerning individual professorships, amend the Sherardian Professorship of Botany (new text underlined, deleted text struck through):

‘Sherardian Professor of Botany

1. The Sherardian Professor of Botany shall undertake research in and shall lecture and give instruction in Plant Sciences Botany, and shall generally promote its study in the University.

2. The professor shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor;

(2) the President of Magdalen College, or if the President is unable or unwilling to act, a person appointed by the governing body of Magdalen College on the occurrence of a vacancy to act as an elector on that occasion;

(3) a person appointed by the governing body of Magdalen College;

(4), (5) two persons appointed by Council;

(6)–(9) four persons appointed by the Mathematical, Physical and Life Sciences Board;

3. The professor shall be subject to the General Provisions of the regulations governing the duties of professors and to those Particular Provisions of the same regulations which are applicable to this chair.’

(c) Establishment of the Primary Care Research Trust Mercian Chair of Primary Care

Explanatory Note

These changes, made on the recommendation of the Medical Sciences Board, establish a new professorship of primary care.

Text of Regulations

1 In the Schedule of Statutory Professorships annexed to Council Regulations 3 of 2004, insert:

‘Primary Care Research Trust Mercian Chair of Primary Care’

2 In Council Regulations 24 of 2002, concerning individual professorships, insert:

‘Primary Care Research Trust Mercian Chair of Primary Care

1. The Primary Care Research Trust Mercian Chair of Primary Care shall undertake research in primary care and shall lecture and give instruction in this subject.

2. The professor shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor;

(2) the head of the college to which the professorship may be allocated by Council from time to time; or if the head is unable or unwilling to act, a person appointed by the governing body of that college;

(3) a person appointed by the governing body of the college specified in paragraph (2) above;

(4), (5) two persons appointed by Council;

(6)–(9) four persons appointed by the Medical Sciences Board;

(10) a person holding a clinical appointment appointed by the relevant NHS body with which the

post-holder will hold an honorary contract.

3. The professor shall be subject to the General Provisions of the regulations concerning the duties of professors and to those Particular Provisions of the same regulations which are applicable to this chair.

(d) Establishment of the Poonawalla Professor of Biotechnology Fund

Explanatory Note

These new regulations are made to formalise the trust created by the receipt of the gift from the Natasha and Adar Poonawalla Foundation.

Text of Regulations

1 In the Schedule of Statutory Professorships annexed to Council Regulations 3 of 2004, insert:

‘Poonawalla Professor of Biotechnology’

2 In Council Regulations 24 of 2002, concerning individual professorships, insert:

‘The Poonawalla Professor of Biotechnology Fund

1. The University receives with gratitude funds from the Natasha and Adar Poonawalla Foundation to be held as expendable endowment on the trust declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trust. The assets so held will be known as the Poonawalla Professor of Biotechnology Fund (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund for the advancement of education for the benefit of the public by establishing and maintaining the post of Poonawalla Professor of Biotechnology (“the Professor”).

4. The Professor shall undertake research and teaching in vaccinology and related disciplines.

5. The Fund shall be used to pay the salary and expenses of the Professor and associated overheads. If the salary, expenses and overheads of the Professor are wholly or partly covered from other sources or there are further funds available, there shall be discretion to apply the income of the Fund to support the Professor’s research, provided that the subject matter of such research is in the field of medical sciences and therefore furthers the charitable purposes of the University and the Foundation; to make acquisitions of items to support the work of the Professor; or to support the work of the Professor in any other manner.

6. The professor shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor;

(2) the head of the college to which the professorship may be allocated by Council from time to time; or if the head is unable or unwilling to act, a person appointed by the governing body of that college;

(3) a person appointed by the governing body of the college specified in paragraph (2) above;

(4), (5) two persons appointed by Council;

(6)–(9) four persons appointed by the Medical Sciences Board.

7. The Professor shall be subject to the General Provisions of the regulations concerning the duties of Professors and to those Particular Provisions of the same regulations which are applicable to this post.

8. The administration of the Fund, and the application of its income, shall be the responsibility of the Medical Sciences Divisional Board.

9. The University may in its absolute discretion in the period ending 21 years from 14 December 2021, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

10. The University shall have power to pay out of the income of the Fund all costs of and incidental to the creation of the Fund and the management and administration of the Fund and the post.

11. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

12. Regulations 1–5 and 8–14 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

13. Subject to regulation 14, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

14. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

(e) Establishment of the Dieter Schwarz Associate Professorship in Artificial Intelligence, Government and Policy Fund and the Dieter Schwarz Associate Professorship in Artificial Intelligence and Work Fund

Explanatory Note

These new regulations are made to formalise the trusts created by the receipt of the gift from the Dieter Schwarz Foundation.

Text of Regulations

In Council Regulations 25 of 2002, concerning trusts, insert:

‘The Dieter Schwarz Associate Professorship in Artificial Intelligence, Government and Policy Fund and the Dieter Schwarz Associate Professorship in Artificial Intelligence and Work Fund

1. The University receives with gratitude funds from the Dieter Schwarz Foundation to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or

transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Dieter Schwarz Associate Professorship in Artificial Intelligence, Government and Policy Fund (“the First Fund”) and the Dieter Schwarz Associate Professorship in Artificial Intelligence and Work Fund (“the Second Fund”).

2. The University shall retain as permanent endowment those of the assets in the Funds which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowments (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Funds for the advancement of education for the benefit of the public as follows:

(1) for the First Fund, by establishing and maintaining the post of Dieter Schwarz Associate Professorship in Artificial Intelligence, Government and Policy (“the First Associate Professor”); and

(2) for the Second Fund, by establishing and maintaining the post of Dieter Schwarz Associate Professorship in Artificial Intelligence and Work (“the Second Associate Professor”).

4. (1) The first Associate Professor shall undertake research and teaching on topics relating to artificial intelligence, government and policy.

(2) The second Associate Professor shall undertake research and teaching on topics relating to technology, society, artificial intelligence and work.

5. Each Fund shall be used to pay the salary and expenses of the appropriate Associate Professor and associated overheads. If the salary, expenses and overheads of the Associate Professor are wholly or partly covered from other sources or there are further funds available, there shall be discretion to apply the income of each Fund to support the Associate Professor’s research; to make acquisitions of items to support the work of the Associate Professor; or to support the work of the Associate Professor in any other manner.

6. The Associate Professors shall be subject to the General Provisions of the regulations concerning the duties of Associate Professors and to those Particular Provisions of the same regulations which are applicable to this post.

7. The administration of the Funds, and the application of their income, shall be the responsibility of the Social Sciences Divisional Board.

8. The University shall have power to pay out of the income of the Funds all costs of and incidental to the creation of the Funds and the management and administration of the Funds and the post.

9. The University may exercise any of its corporate powers in the management and administration of the Funds in so far as those powers are not inconsistent with these regulations.

10. These regulations shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

11. Subject to regulation 12, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

12. Any amendment to regulation 3 is an amendment to the main objects of the Funds for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

(f) Establishment of the Phillips Scholarship Fund

Explanatory Note

These new regulations are made to formalise the trust created by the receipt of the gift from David Phillips.

Text of Regulations

In Council Regulations 25 of 2002, concerning trusts, insert the following:

‘Phillips Scholarships

1. The University receives with gratitude a gift from David Phillips to be held as an expendable endowment on the trusts declared in this regulation.

Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Phillips Scholarships (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund to provide scholarships, to be called the Phillips Scholarships, which shall be available to graduate students commencing a DPhil course of study at the University, in one of the following fields: vaccinology, drug development, infectious diseases, emerging pathogens and global health. Preference shall be given to students undertaking such study within the Jenner Institute of the University’s Nuffield Department of Medicine.

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Nuffield Department of Medicine.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Scholarship.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. These regulations shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

- (1) cease to be exclusively charitable according to the law of England and Wales; or
- (2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.¹

Congregation

26 February

Conferment of Honorary Degree

The degree of Master of Arts, *honoris causa*, [approved by resolution of Congregation on 19 October 2021](#), was conferred upon **Maurice Keeble-Smith**.

The Public Orator made the following speeches in presenting to the recipient of the Honorary Degree:

MAURITIUS KEEBLE-SMITH

Ecce adest qui se regionum duarum quidem gnarum praebuit, rusticae dico et rerum valde subtilium artis machinalis. Idemque iam amplius XL annos Universitati eiusque indagatoribus, doctoribus, discipulis servivit. Aliquando enim et aliis animalibus huius orbis notus erat, ut qui iuvenis apud Institutum Comptonianum tiro versatus sit ubi, ut aptum erat Hiberniae progeniei, patrum propagavit vitam rusticam, nec minus apte se ad rationes viasque produxit fabricandi. Et vix aptius potuisset illuc adire quam per solum ipsum transgressus. Nonne enim solo natura subest?¹ Et apud nostrum circulum soli mechanicae peritorum hic honorandus illas egregias ingenii manusque sollertias adhibere coepit propter quas ad officinam primam vocatus est, ut paullo post ipse procurator ibi praeesset, ubi ex magna parte disponenda ipse disposuit. Verumque sollers videtur esse, nec solum machinandi ferruminandique; immo tales habitus humaniores in eo conspecti sunt quales vix facile captentur, difficile videantur descriptu. Nam prudentia praeditus

est necnon quadam lenitate, quo facilius intellegat quomodo nos, qui minus capaces simus, saepe fallamur, ut permultos patientia consilioque ad fines attingendos conduxerit. Hic mente ac manu etiam talia concipiendi, confingendi capax est qualia lineis scriptis nullo modo antea parari potuerant. Nec tantum creat, sed fracta reparat; impedimenta denique quae paene insuperabilia visa essent hic in minimum reducit. Quid? Scilicet memoria diu tenebitur qui birotam automatariam Kawasakiensem, raedaeque alacris, ut vocatur, vim vitalem excogitatas exhibuit. Attamen vix credo eundem posthac birota prisca deserta modum illum potius sponte sua movendi positurum quo praeeminet, dummodo domum mobilem commode locaverit. Haec verba admodum salutaria super nomen huius in officina edita videmus: ‘qui parum apto cultu adveniet, hic dimittetur’. Ecce igitur adstat qui aptissima veste ornatus est, nam

Praesento fabrum spectatum, praeter omnes ingeniosum, hominem certe fidum, tertium decimum modo inter eos qui hoc saeculo ita honorati sunt, Mauritium Keeble-Smith, ut admittatur honoris causa ad gradum Magistri in Artibus.

Admission by the Pro-Vice-Chancellor

Faber inter omnes peritissime, qui duxisti, cui parebatur, quem secuti sunt et discipuli et indagatores nostri, ego auctoritate mea et totius Universitatis admitto te ad gradum Magistri in Artibus honoris causa.

Paraphrase

See here a man who has known two great worlds – those of the countryside and the intricate devices of engineering. For forty years and more he served this University and its inventive researchers, teachers and students. Earlier he was known also to other members of the animal kingdom; for it was at Compton and its Institute for Animal Health that as a youngster he served his apprenticeship, a fitting continuation of his Irish forefathers’ farming life, and a fitting transition to the ideas and techniques of the laboratory. And what more fitting ground than soil itself through which to make that transition. In the soil, as the Latin poet reminds us, is ‘innate creative power’, and it was indeed in the Soil Mechanics Group that our

honorand began to ply those signal imaginative and technical skills that brought his call to our main Engineering workshop, and thence later to the Staff Student Workshop, over which he came to preside; indeed its design and layout are in no small part his own. Expert he is, a skilled machinist and welder, but well known also for those more intangible gifts of personality – wisdom, tact, and understanding of the greater limitations in our practical abilities, in which his forbearance and guidance have set so many on a more secure path to success. Here is a mind and a hand that can plan and design even when drawings cannot be made and used; here is one that can mend as well as create, can patiently teach, reassure, and make of the almost insurmountable difficulty but a minor molehill. I believe that his memory will live long in the designs of a Kawasaki motorbike and a Smart Car engine, yet in his retirement he will surely continue in that more independent movement in which he also excels – that of the bicycle, once he has strategically parked his motor-home. In the workshop you may see a safety notice above our honorand’s name, telling us that ‘anybody inappropriately dressed will be turned away!!!’ Here, accordingly, stands that man most appropriately dressed for the occasion, for

I present an admired artist among craftsmen, a supportive guide and teacher, a dependable human being we proudly believe is to be only the thirteenth such honorand in over twenty years, Maurice Keeble-Smith, to be admitted to the honorary degree of Master of Arts.

Admission by the Pro-Vice-Chancellor

Most skilled of technicians, who have guided with authority, and whom both our students and our researchers have willingly followed, I on my own authority and that of the whole University admit you to the honorary degree of Master of Arts.

Web: <https://gazette.web.ox.ac.uk/classified-advertising-gazette>

Deadline

Advertisements are to be received by **noon on Wednesday** of the week before publication (ie eight days before publication). Advertisements must be submitted online.

Publication

The *Gazette* is only published online, except for library and archive copies. Charges for all adverts have been reduced to reflect this.

Charges

Non-commercial advertisers: £10 per insertion of up to 70 words, or £20 per insertion of 71-150 words.

Commercial advertisers: £20 per insertion of up to 70 words, or £40 per insertion of 71-150 words.

Advertisers may also purchase advertising space for a whole academic year (a minimum of eight insertions per term) at a discount of over 50% on the individual advertisement rate: £9.50 per insertion of up to 70 words, or £19 per insertion of 71-150 words.

See our website for examples of whether an advertisement is considered commercial or private: <https://gazette.web.ox.ac.uk/classified-advertising-gazette>.

Online submission and payment

Advertisements must be submitted and paid for online, using a credit card or debit card, through a secure website. For details, see <https://gazette.web.ox.ac.uk/classified-advertising-gazette>.

Extracts from the terms and conditions of acceptance of advertisements

General

1. Advertisements are accepted for publication at the discretion of the editor of the *Gazette*.

Note. When an advertisement is received via the online shop, an acknowledgement will be emailed automatically to the email address provided by the advertiser. The sending of this acknowledgement does not constitute an acceptance of

the advertisement or an undertaking to publish the advertisement in the *Gazette*.

2. The right of the *Gazette* to edit an advertisement, in particular to abridge when necessary, is reserved.
3. Advertisements must be accompanied by the correct payment, and must be received by the deadline stated above. *No refund can be made for cancellation after the acceptance of advertisements.*
4. Once an advertisement has been submitted for publication, no change to the text can be accepted.
5. Voucher copies or cuttings cannot be supplied.

Charges

6. Two separate charging arrangements will apply, for commercial and private advertisers. The rates applicable at any time will be published regularly in the *Gazette*, and may be obtained upon enquiry. The rates, and guidance on applicability of each rate, are also available online. The editor's decision regarding applicability of these rates to an individual advertiser will be final.
7. Particular arrangements apply to advertisers who declare their intention to advertise for a full academic year ("whole-year advertisers"), and receive a discount on their advertisements for doing so:

- a. With effect from January 2022, whole-year advertisers must pay for the year's advertisements upfront via the University's online shop and may opt for 24 insertions (8 per term), 27 insertions (9 per term) or 34 insertions (all issues).
- b. Whole-year advertisers whose arrangements were entered into before January 2022 may only withdraw their advertisements partway through the year upon payment of the difference between the discounted rate and the standard rate for each advertisement which has already been published. If such payment is not received by the University of Oxford, the advertiser remains liable for the number of insertions and the discounted rate originally agreed.

Disclaimer

8. The University of Oxford accepts no responsibility for the content of any advertisement published in the *Gazette*. Readers should note that the inclusion of any advertisement in no way implies approval or recommendation of either the terms of any offer contained in it or of the advertiser by the University of Oxford.

Advertisers' Warranty and Indemnity

14. The advertiser warrants:

- a. Not to discriminate against any respondents to an advertisement published in the *Gazette* on the basis of their gender, sexual orientation, marital or civil partner status, gender reassignment, race, religion or belief, colour, nationality, ethnic or national origin, disability, age, or pregnancy.
- b. That the advertisement does not contravene any current legislation, rules, regulations or applicable codes of practice.
- c. That it is not in any way illegal or defamatory or a breach of copyright or an infringement of any other person's intellectual property or other rights.

You are advised to view our full Terms and Conditions of acceptance of advertisements. Submission of an advertisement implies acceptance of our terms and conditions, which may be found at <https://gazette.web.ox.ac.uk/terms-and-conditions-acceptance-advertisements>, and may also be obtained on application to gazette@admin.ox.ac.uk.

Miscellaneous

Advertisers are asked to note that the remaining *Gazettes* of Hilary term will be published on 10, 17 and 24 March, but the 24 March issue will not carry advertisements. Publication for Trinity term will begin on 21 April. The usual deadline will continue to apply (see above).

Restore - mental illness affects one in four of us in our lifetime, but people can, and do, recover. Restore is a well-established Oxfordshire mental health charity that supports people to take control of their own recovery, develop skills and lead meaningful lives. We offer recovery groups, training and employment coaching to make this possible. Founded in 1977, we are also part of OMHP, a partnership of local mental health organisations (<https://omhp.org.uk>). More information: www.restore.org.uk.

Research participants sought

We are looking for volunteers aged 18-70 with low vision who either have visual hallucinations (Charles Bonnet Syndrome) or have never experienced visual hallucinations, for a brain scanning study in Oxford. Please contact brain@eye.ox.ac.uk for more info. Ethics approved NCT04777630.

We are looking for healthy fluent English-speaking volunteers aged 18-45 with or without lazy eye, who are not pregnant, for an MRI scan. Participants need to be available for up to three study visits, involving a visit to an orthoptist for participants with lazy eye (30 min), a brain scan (90 min) and a visual test (60 min). Please contact Dr Betina Ip via email at vision.study@ndcn.ox.ac.uk for more information.

EBL07 Ebola vaccine study. Using the same technology we used for the Oxford/AstraZeneca COVID-19 vaccine, Professor Teresa Lambe's team at the Jenner Institute is conducting a study of a new Ebola vaccine that targets the two deadliest *Ebolavirus* species. If you

are aged 18-55 years you may be eligible to participate. You will be compensated approximately £370 for your time, travel and inconvenience. More information: www.jenner.ac.uk/volunteer/recruiting-trials/ebola-virus-vaccine-study-eb107.

VAC084 Malaria vaccine study. The Jenner Institute is conducting a study into the safety and immunogenicity of the *Plasmodium vivax* malaria vaccine candidate Pvs25-IMX313 in Matrix-M1 adjuvant in healthy adults. The study will comprise 16 visits over 8 months. You will be compensated approximately £790 for your time, travel and inconvenience. More information: www.jenner.ac.uk/volunteer/recruiting-trials/vac084.

Research volunteers needed for study in Oxford. We are looking for healthy men and women aged 18-65 years interested in taking part in our study to investigate the effect that specific dietary nutrients (eg sugars, fats) have on liver metabolism and function. More information: contact Louise Dennis at the Oxford Centre for Diabetes, Endocrinology and Metabolism (01865 857203 or louise.dennis@ocdem.ox.ac.uk).

Groups and societies

The Oxford University Newcomers' Club is run by volunteers and supported by the University. Our aim is to welcome all partners of graduate students, academics, visiting scholars and staff members, especially those who have recently arrived. As a globally diverse and inclusive group, we offer a warm and friendly environment in which to meet others in Oxford. We also provide information, both general and of special interest, and many opportunities to share experiences as well as to take part in organised events and activities. Please go to our website, www.newcomers.ox.ac.uk, for more information and up to date details of all our activities.
