### Gazette publication arrangements

#### DATES FOR REMAINDER OF HILARY TERM

The final *Gazettes* of Hilary term will be published on 11, 18 and 25 March. Please note that the 25 March issue will be restricted to Council and Congregation business and changes to Examination Regulations only.

The first *Gazette* of Trinity term will be published on 22 April and will include the Trinity term lecture supplement.

#### END OF PRINT PUBLICATION

Since Trinity term 2020 the *Gazette* has been published online only as a result of office and printer closures.

It has now been decided by GPC and by Council that print production will not resume when COVID-19-related lockdowns end.

The *Gazette* will continue to be published online on Thursday mornings according to its usual schedule. It will also be printed in a limited run for libraries, archives and paid subscribers. These arrangements will be announced once libraries are open again.

### Multi-factor authentication (MFA) for retirees with an Oxford Single Sign-On (SSO) account

As explained in *Gazette* No 5289, 15 October 2020, due to a high incidence of cyber-attacks on Oxford University Single Sign-On (SSO) accounts, multi-factor authentication is being implemented on all accounts for staff and students. This means users will be asked to verify their account using a second factor, such as a text message, a mobile phone app or a phone call.

At this time, MFA is not being enforced on University accounts held by the majority of retirees. However, MFA will be scheduled for a small group of retirees with full access to Nexus365 as part of ongoing research or teaching

engagements. All other retirees are encouraged to self-enrol if possible. A direct email has been sent to all retirees this week with details about whether their account has been scheduled to have MFA enabled, or whether they are being asked to self-enrol.

More information on MFA for retirees and how to self-enrol and set up MFA is available online at <https://projects.it.ox.ac.uk/mfa-information-for-retirees>. Retirees who retain an affiliation with their college or department can obtain assistance from their local IT support team to enable MFA. Retirees without a department or college affiliation should contact the IT Service Desk on 01865 612345 for assistance.

**UK Brain Bank for Autism and Related Developmental Research, JR.** The developing brain is altered in autism but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do - and the NHS organ donor scheme does not include brain

donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See <https://grand.tghn.org/autism-brain-bank> for information and to register as a donor.

**Restore** - at this moment in time, good mental health is more important than ever. We are part of the Oxfordshire Mental Health Partnership, which works to help those most in need. We are #BetterTogether; please visit our supporter page today to help (Registered charity number 274222): [www.restore.org.uk/get-help/supporters](http://www.restore.org.uk/get-help/supporters).

**Oxford University Hospitals NHS Trust** wants you to take part in its future. If you have a contract of employment with the University of Oxford in a department within the Medical Sciences Division, or hold an honorary contract award with OUH for at least 12 months, you can join our staff constituency. We continue to meet virtually every Wednesday morning from 10.30-12, and we hope to return to being able to meet informally at weekly coffee mornings from September 2021, again subject to any restrictions that may still be in place. We are providing a range of virtual meetings and events and hope to be able to resume our programme of live events (tours of colleges, museums and other places of interest) by the start of the 2021-2 academic year. Our current activities include a book group, a film club, an informal conversation group and our Opportunities in Oxford group (for advice, support and coaching on working in Oxford).
