Other Committees and University Bodies

POOL FOR CONSTITUTING PANELS CONVENED UNDER STATUTE XII PARTS B, D AND H

- One of four members of Congregation to whom Statute XII applies to represent the Division of Mathematical, Physical and Life Sciences, elected by members of Congregation, to hold office with immediate effect until HT 2021 [*vice* Ms Rosie Mortimer, Chemistry]
- One of four members of Congregation to whom Statute XII applies to represent the Division of Social Sciences, elected by members of Congregation, to hold office with immediate effect until HT 2021 [*vice* Eve Rodgers, Education]
- One of eight members of Congregation to whom Statute XII applies, not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation, to hold office with immediate effect until MT2021 [*vice* Professor William Mander, Harris Manchester, Philosophy]

Notes:

It is expected that candidates for election to represent one of the six constituencies will also be members of the relevant constituency (ie a member of one of the divisions, GLAM or UAS). Candidates for election to represent Congregation as a whole (ie in a 'non-divisional' capacity) need

only be a member of Congregation to whom Statute XII applies. However, please note that a candidate may not be nominated to more than one constituency on the same committee at the same time. For further information, please see the eligibility and amendments to nominations sections at www.admin.ox.ac.uk/elections/geninfo.shtml.

Statute XII applies to: (a) professors, readers and associate professors or lecturers; (b) any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV. In Statute XII, any reference to 'a member of the academic staff' is a reference to a person to whom the statute applies (Statute XII, Section 3 (1) and (2) (www.admin.ox.ac.uk/statutes/353-051a.shtml)). College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St Cross and Parks, which follow the University's statutes. Any staff holding joint appointments will, however, be covered by Statute XII in respect of their University contract of employment and duties.

Members of the Pool will be chosen by lot to serve on a number of Panels under Statute XII (ie Redundancy Panel (Section 14 (6)), Staff Employment Review Panel (Section 35) and University Appeal Panel (Section 52 (2))) and may be expected to also chair a Panel. Each member of the Pool will be required to attend appropriate training, including on equality and diversity, before serving on a Panel.

Nominations from men and from academic and research staff are particularly encouraged.

For further information, please contact the Secretary (diana.hulin@admin.ox.ac.uk).

General Notes:

Nominations in writing for the elections on 5 March, by four members of Congregation other than the candidate, will be received by the Elections Office, at the University Offices, Wellington Square, up to **4pm on 6 February**.

At least one nomination in respect of each candidate must be made on an official nomination form (available on www.admin.ox.ac.uk/elections/forms/index.shtml).

All candidates are asked to note the general requirements which apply to all committee members, as set out in Council Regulations 14 of 2002 (General Regulations of Council for Committees) (www.admin.ox.ac.uk/statutes/regulations/519-122.shtml). Current members seeking re-election are also asked to check for specific restrictions on consecutive service. For further information, please see the eligibility (<https://governance.admin.ox.ac.uk/elections-by-congregation#collapse1580081>) and amendments to nominations (<https://governance.admin.ox.ac.uk/key-election-stages-and-procedures#collapse1577651>) sections within the Information about University Elections pages of this site (<https://governance.admin.ox.ac.uk/information-about-university-elections>).

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out his or her reasons for standing and qualifications for the office being sought.

In the event of a contested election, candidates' statements are online at www.admin.ox.ac.uk/elections and published in the *Gazette* dated 20 February. Voters may wish to wait until they have read these statements before returning their ballot papers. Ballot papers will be sent out to eligible voters as soon as possible after the closing date for nominations. Completed ballot papers must be received by the Elections Office not later than **4pm on 5 March**.

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on 6 February. When required, places will be allocated according to academic standing, as defined in Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing, made by Council on 26 June 2002.

Advertisements

If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

For further information, please contact the Elections Officer (shirley.mulvihill@admin.ox.ac.uk).

UK Brain Bank for Autism and Related Developmental Research, JR. The developing brain is altered in autism but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by

the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do – and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See <https://grand.tghn.org/autism-brain-bank> for information and to register as a donor.
