If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the legislative proposals and the resolutions shall be carried and the meeting may be cancelled.

### **(1) Voting on Legislative Proposal: Goodger Scholarships and Schorstein Research Fellowships in Medical Science**

#### *Explanatory Note*

The following legislative proposal removes provisions in the Goodger Scholarships Fund and Schorstein Research Fellowships Fund in Medical Science that are in breach of the Equality Act 2010 and broadens the objects of both Funds such that they can be managed together and applied for research scholarships in medical science generally.

*WHEREAS it is expedient to change the existing provisions governing the Goodger Scholarships Fund and Schorstein Research Fellowships Fund in Medical Science, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council, AS FOLLOWS.*

**1** In Part 2 of Council Regulations 25 of 2002, concerning trusts, delete §§ 137 and 321, and renumber existing §§ 138–397 as §§ 137–395.

**2** In the Schedule to the Statutes and Regulations, after Part 76 insert the following new Part 77:

#### **'Part 77: Goodger and Schorstein Fund for Research Scholarships in Medical Science**

1. The University holds as permanent endowment the assets known as the Goodger Scholarships Fund and the Schorstein Research Fellowships Fund in Medical Science on the trusts declared in this Part of the Schedule to the Statutes. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known collectively as the Goodger and Schorstein Fund for Research Scholarships in Medical Science ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as

permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund (if any), towards research scholarships and/or fellowships in medical science.

4. The administration of the Fund, and the application of its income, shall be the responsibility of a board of management consisting of three persons appointed by the Medical Sciences Divisional Board.

5. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

6. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with this Part.

7. Subject to section 8, Council may amend, repeal or add to this Part in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

8. Any amendment to section 3 of this Part is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

### **(2) Voting on Legislative Proposal: Joyce Mertz Gilmore and Leopold Muller Funds**

#### *Explanatory Note*

The following legislative proposal broadens the objects of the Joyce Mertz Gilmore Fund and Leopold Muller Fund such that they can be managed, along with the McCormack Legacy Fund, as a single fund for the support of the Refugee Studies Centre generally.

*WHEREAS it is expedient to change the existing provisions governing the Joyce Mertz Gilmore Fund and Leopold Muller Fund, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council, AS FOLLOWS.*

**1** In Part 2 of Council Regulations 25 of 2002, concerning trusts, delete §§ 191 and 210 and renumber existing §§ 192–397 as §§ 191–395.

**2** In the Schedule to the Statutes, after Part 77 insert the following new Part 78:

#### **'Part 78: Refugee Studies Fund**

1. The University holds as permanent endowment the assets known as the Joyce Mertz Gilmore Fund, the Leopold Muller Fund and the McCormack Legacy Fund on the trusts declared in this Part of the Schedule to the Statutes. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known collectively as the Refugee Studies Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund (if any), in support of the Refugee Studies Centre.

4. The administration of the Fund, and the application of its income and capital, shall be the responsibility of the Executive Committee of the Department of International Development, which may make and amend Standing Orders consistent with these Regulations governing the administration of the Fund and the application of its income.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead

of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with this Part.

8. Subject to section 9, Council may amend, repeal or add to this Part in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

9. Any amendment to section 3 of this Part is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.<sup>1</sup>

### **(3) Voting on Resolutions authorising expenditure from the Higher Studies Fund**

#### *Text of Resolutions*

(i) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, £50,000 to support the Chair in the Analysis of Nonlinear Partial Differential Equations with immediate effect.

(ii) That the University be authorised to expend, from the element of the Higher Studies Fund known as the Bodleian 'B' Fund, funding in the amount of £47,000 to support three initiatives: the purchase of 39 iPads/tablet computers, a self-issue machine and demand-driven acquisition, with immediate effect.

### **(4) Voting on Resolutions authorising expenditure from the Higher Studies Fund under new procedures**

#### *Explanatory Note*

New procedures have been put in place for the allocation of funds from the Higher Studies Fund (HSF). Applications from the divisions outlining their funding requirements for new professors for three years are now considered annually by PRAC and the HSF Trustees as a gathered field. Arising from this consideration the Trustees now wish to make the allocations to each division as described below.

#### *Text of Resolutions*

(i) That the University be authorised to expend, from the element of the Higher Studies Fund earmarked for Social Studies, funding in the amount of £640,000 over the three-year period 2013/14 to 2015/16, to support fifteen professors coming into the Social Sciences Division.

(ii) That the University be authorised to expend, from the element of the Higher Studies Fund earmarked for Social Studies, funding in the amount of £160,000 over the three-year period 2013/14 to 2015/16, to support three professors coming into the Humanities Division.

(iii) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, funding in the amount of £270,000 over the three-year period 2013/14 to 2015/16, to support seven professors coming into the Humanities Division.

(iv) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, £300,000 for three posts starting in the Medical Sciences Division in 2013/14.

(v) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, £300,000 for three posts starting in the Mathematical, Physical and Life Sciences Division in 2013/14.

<sup>1</sup>The number is subject to the approval of other legislative proposals and may therefore change.

### Proposals for Honorary Degrees to be conferred at the Encaenia in 2014, and for Degrees by Diploma

Members of Congregation are encouraged to suggest the names of people on whom such degrees might be conferred. Degrees by diploma are conferred on heads of state and royalty, and Encaenia honorary degrees are conferred at the University's annual ceremonial event. When considering possible honorands, the Honorary Degrees Committee will focus on individuals in the following categories:

- 1** those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
- 2** those distinguished in the visual, literary, musical and performing arts
- 3** those distinguished in business and industry
- 4** those who have played a distinguished role in public life, for example in contributing to progress and change in society
- 5** those who have made a significant contribution to the activities of the University of Oxford – such individuals would normally also fall into one of the categories above.

Within those categories, the committee will aim to produce a balanced list, which takes account of the international dimension that characterises this University's activities. The committee therefore encourages the nomination of individuals of conspicuous distinction who represent the diversity of human achievement, with particular reference to gender, ethnicity, and discipline.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service.

Nominations should be sent on the approved application form, which is available from Mrs F Burchett (tel: (2)80199, email: felicity.burchett@admin.ox.ac.uk) or can be downloaded by staff accessing the University website from the Oxford University Network ([www.admin.ox.ac.uk/councilsec/committees/hondogs](http://www.admin.ox.ac.uk/councilsec/committees/hondogs)). The completed form should be sent to Mrs F Burchett, University Offices, Wellington Square, or by email to felicity.burchett@admin.ox.ac.uk, by **26 April**, under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the Honorary Degrees Committee, which submits its report to Council at the beginning of Michaelmas term. After discussion, Council will report back to the Honorary Degrees Committee, which will arrive at a list of honorands to put to Congregation.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred may be found in the *University Calendar*, 2012–13, pp551–5.

This year's honorands are:

Professor Ingrid Daubechies  
Professor Anthony Grafton  
Baroness Tanni Grey-Thompson  
Former Chief Justice Andrew Li Kwok-Nang  
Dame Anne Owers  
Mr Murray Perahia  
Mr Colin Smith  
Sir Tom Stoppard

### Van Houten Fund

The Van Houten Bequest is a fund left by the late M Van Houten in the 1950s to be used 'for the benefit of the University in such ways as the Chancellor, the Vice-Chancellor, and Council shall see fit'. The Chancellor, the Vice-Chancellor, Council and the Planning and Resource Allocation Committee agreed in 2005 to delegate responsibility to the Registrar to approve grants subject to a regular report to be made to Council on the decisions taken.

Bids are now being invited for grants from this fund to be used to support projects that do not form part of the normal day-to-day operations of a department and which would not easily be funded from other regular sources. Recipients within the last year have included:

- the Ruskin School of Drawing and Fine Art
- KEEN, a charity providing sporting and recreational activities for Oxfordshire children and young people with special needs, which is run by Oxford and Oxford Brookes students
- Oxford Hub, the focal point for student social action and volunteering at the University.

Grants to internal applicants are usually in the region of £4,000–£18,000, either given as a one-off payment or spread over two or three years. Grants are also available to organisations external to the University; in such cases, the amounts awarded are usually lower and there is a cap on the total amount of funding provided to external organisations of £50,000 in this financial year.

# Lectures

The most recent invitation to bid, in December 2012, attracted twelve applications and resulted in awards for six of those, including support for the Ashmolean Museum and the Oxford Quantum Institute.

The guidelines by which bids are assessed are as follows:

**1** Bids for grants will be assessed according to the breadth of the benefit to the University offered by the project in question, the strategic importance of the project to the University and the availability of funds. Only in exceptional circumstances will a grant be awarded in respect of a project which benefits a single department.

**2** Grants will not ordinarily be awarded for purposes for which other trust fund (or similar) support exists within the University; for example, the funding of academic scholarships, regardless of whether or not the alternative fund(s) in question are in a position to fund the expenditure proposed.

**3** Grants will not ordinarily be awarded in respect of costs for which a department might reasonably be expected to hold a budget.

**4** Grants will not ordinarily be agreed in respect of recurrent activities except to provide:

- (a) seed funding to support an activity in its first one to three years; or
- (b) bridging support for one year only where a source of funding is lost and the department/faculty in question is confident that an alternative can be found for the following year.

**5** Grants will not ordinarily cover the full cost of a project. Departments will be expected to make some contribution, or to use the grant secured by the Van Houten Fund to assist in securing other funding (including external funding).

**6** The extent to which funds may be awarded to external organisations each financial year may be subject to an upper limit, to be set by the General Purposes Committee and reviewed on an annual basis.<sup>1</sup>

Bids for funding should take the form of a written submission outlining the amount requested, how the grant would be used, the benefit that would be conferred to the University, approximate costings, timescales, details of any other funding secured and any further supporting information. The bids will be considered by the Registrar as a gathered field. Applications should be sent, preferably as a Word document attached to an email, to the secretary of the fund, Mrs Adrienne Lingard, by **8 April**.

Further information may be obtained from Mrs Lingard (tel: (6)11627, email: [adrienne.lingard@admin.ox.ac.uk](mailto:adrienne.lingard@admin.ox.ac.uk)) or at the University Offices, Wellington Square, Oxford OX1 2JD. The next invitation to bid is scheduled to be made in October 2013.

<sup>1</sup>For the financial year 2012–13, GPC has approved a limit on total external funding of £50,000.
