## Consultative Notices

### Consultation on the University's Strategic Plan

On 5 February 2018, Council approved the approach to refresh the University's Strategic Plan, which will take place in two phases. An initial consultation during Hilary term 2018 provides members of the University with an opportunity to comment on the current Strategic Plan, including its structure and on the issues that might be identified as priorities for the next plan period (2018–23). A second consultation will take place during Trinity term, which will seek views on the initial draft of the new Strategic Plan. A final draft will be provided for Council's approval at its concluding meeting of Trinity term, and Congregation will consider the plan during Michaelmas term 2018.

Submissions at both stages of the consultation are invited from all bodies within the collegiate University as well as from individuals. Individual responses to the initial consultation should be made at [www.ox.ac.uk/staff/consultations/strategic-plan-consultation](http://www.ox.ac.uk/staff/consultations/strategic-plan-consultation) by **Friday 23 March**. An electronic version of the Draft Strategic Plan will subsequently be posted on this site when the consultation reopens at the start of Trinity term.

An open meeting on the University's Draft Strategic Plan (2017/18 to 2022/23) will take place early in Trinity term; further details about the arrangements and the second phase of the consultation will be published in a future issue of the *Gazette*.

### External Membership of Council

#### INVITATION TO CONGREGATION TO SUBMIT NOMINATIONS FOR CONSIDERATION

*Procedure for appointment of external members of Council*

There is currently a vacant place on Council for an external member, and there will be a second vacancy from Michaelmas term 2018. An external member is defined in Statute I as 'a person who is not the resident holder of a teaching, research or administrative post in the University or in

<sup>1</sup>The transcript may be edited for legal reasons.

any college, society or Permanent Private Hall'.

Members of Congregation are invited to submit nominations for consideration by the Nominations Committee for each place on Council, taking account of the criteria set out below, on a form available at [www.council.ox.ac.uk/nominate-external-member](http://www.council.ox.ac.uk/nominate-external-member) or from Council Secretariat (01865 270012). The Nominations Committee understands that nominations may be made without any communication between the nominator and the nominee. Nominators should indicate on the nominations form if any informal communication has taken place.

The closing date for nominations is

**Thursday 26 April.**

The Nominations Committee will act in accordance with Council Regulation 15 of 2002 - available at [www.admin.ox.ac.uk/statutes/regulations/520-122q.shtml](http://www.admin.ox.ac.uk/statutes/regulations/520-122q.shtml). Current Council members are listed at [www.council.ox.ac.uk/people](http://www.council.ox.ac.uk/people).

The Committee will consider all nominations and applications received by the closing date, as well as any candidates proposed by its own members; it will select from them having due regard to the principles of equality and diversity and the published selection criteria, and it will then make recommendations to Council. Council will consider all recommendations received from the Nominations Committee and will either propose a candidate for approval by Congregation or will ask the Committee to submit further names for its consideration. If a candidate is rejected by Congregation, the Committee will propose a further candidate or candidates to be put to Council in accordance with the above procedures until the vacancy is filled.

The appointments will be for four years, extendable for a further four years.

#### *Responsibilities of members of Council*

Council is responsible for the advancement of the University's objects, for its administration, and for the management of its finances and property. Council is therefore responsible for the academic policy and strategic direction of the University. Legally, the members of Council are charity trustees and are bound by fiduciary duties. Each must comply with the duties of a charity trustee, and when doing so must exercise the proper standard of care.

#### *Criteria for external members of Council*

All members of Council will have a strong personal commitment to higher education

and to the values, aims and objectives of Oxford as a collegiate University (ie the University and its colleges).

In considering nominations for external membership of Council, personal qualities will be the primary consideration, but successful candidates will need to be able to demonstrate significant levels of relevant experience. The Nominations Committee will consider demonstrable evidence of the following:

- significant experience in a position or positions requiring the exercise of high levels of responsibility;
- substantial experience in the governance of large, complex organisations in the public, private or not-for-profit sectors;
- the ability to engage with issues such as educational policy, strategic planning, risk management, IT and information systems, property, investment, financial management and legal issues, in order to ensure a balance of skills and experience on Council;
- a willingness to represent the values, aims and objectives of the University to those who are not part of the institution and to bring a better understanding of issues outside the institution to the members of the collegiate University;
- the capacity to act fairly and impartially in the interests of the University as a whole, using independent judgement and maintaining confidentiality as appropriate, and avoiding conflicts of interest;
- the willingness to listen, engage, understand and interact with members of the collegiate University at all levels; and
- the willingness to play a role in fundraising and in liaising between key stakeholders and the University.

There are eight main meetings of the Council each year, which in most cases take place in the afternoon, following a lunch meeting between the Vice-Chancellor and the external members of Council. It is expected that external members of Council will become involved in the life of the University and may, for example, be asked to join other committees or to help with ad hoc projects and challenges as they arise. The time commitment is around one day a month in Oxford, along with some availability at other times by phone or email.

All members have a responsibility for ensuring that Council conducts itself in accordance with accepted standards of behaviour in public life, embracing selflessness, integrity, objectivity, accountability, openness, honesty and

leadership. They must also play an appropriate part in ensuring that the business of Council is carried out effectively, efficiently and in a manner appropriate for the proper conduct of public business.
