Postgraduate Certificate in Patient Safety

1. The Medical Sciences Board, jointly with the Continuing Education Board, shall elect for the supervision of the course a Standing Committee, which shall have the power to arrange lectures and other instruction.
2. The course is available on a part time basis only and shall consist of instruction in the theory and practice of Patient Safety.
3. The policy of the Continuing Education Board on variable intensity part time study shall apply to this award.
4. The minimum period of registration on the Postgraduate Certificate shall be three terms and the maximum period of registration shall be six terms.
5. Every candidate will be required to satisfy the examiners in three written assignments of not more than 4,000 words in length, one on each of the two modules in Schedule A and one on a module selected from Schedule B below.
6. The assignments set out in clause 5 shall be forwarded, usually through a specified electronic submission system, to the examiners c/o Registry, Department for Continuing Education, 1 Wellington Square, Oxford OX1 2JA, for consideration by such date as the examiners shall determine and shall notify candidates.
7. Candidates may be required to attend a viva voce examination at the end of the course of studies at the discretion of the examiners.
8. Candidates who fail to satisfy the examiners in any of the assignments under 5 above may be permitted to resubmit work in respect of the part or parts they have failed on not more than one occasion for each assignment without being required to repeat attendance at the relevant module or modules. The resubmission shall normally be within one year of the original failure.
9. Provided the Standing Committee is satisfied that a student on the award has undertaken equivalent study of an appropriate standard, normally at another institution of higher education, or has appropriate work experience to an equivalent standard, the committee may permit the candidate to be exempted from attendance and the submission of a written assignment in respect of up to one module. In exercising this discretion the Standing Committee shall take into consideration the length of time that has elapsed since the study or work experience was undertaken.
10. The Standing Committee may deem satisfactory completion of a module (including the associated assessment) prior to registration for the award as having met the attendance and examination requirements in respect of that module. Such discretion will normally only be exercised if the time elapsed between commencement of the accredited module concerned and registration

for the award is not more than two years.

11. A maximum of one module or the equivalent of one module completed prior to registration for the award may be counted towards the assessment requirements for the award (as provided for in clauses 9 and 10).
