^{1.6}3. A student registered for any other higher degree or diploma in the University may apply for transfer to the status of Student for the Degree of Master of Business Administration. The committee shall have power to make such transfer, provided that it is satisfied that the student is well qualified and well fitted to undertake the course of study for which application is made, and that the application has the support of the candidate's society. A candidate who transfers status in this way shall be reckoned as having held the status of Student for the Degree of Master of Business Administration from the time of admission to his or her previous status, unless the committee shall determine otherwise.

^{1.9}3. The supervisor shall submit a report on the progress of a student to the committee three times a year, and at any other time when the committee so requests or the supervisor deems expedient. The supervisor shall communicate the contents of the report to the student on each occasion that a report is made, so that the student is aware of the supervisor's assessment of his or her work during the period in question. In addition, the supervisor shall inform the committee at once if **they are** ~~he or she is~~ of the opinion that the student is unlikely to reach the standard required for the Degree of Master of Business Administration.

^{1.10}4.
