

MPLS Divisional Board

Approved at the 11 June 2025 meeting of the Standing Committee for the MSc in Energy Systems and MPLS Divisional officers 20 June 2025.

Title of Programme/ Name of Regulation

MSc in Energy Systems (Part-time)

Brief note about nature of change

Changes to module names, with no changes to module content. Students asked for clearer names, as these appear on transcripts and are of interest to potential higher education institutions and employers.

Location of change

In *Examination Regulations 2024*:

<https://examregs.admin.ox.ac.uk/Regulation?code=moscienersyst-p-t&srchYear=2024&srchTerm=1&year=2024&term=1>

Effective date

For all students on course from: Michaelmas Term 2025

For first examination from: Michaelmas Term 2025

Detail of change

^{1.13}6. Candidates will complete and be assessed on the following parts:

^{1.14}(a) Submission of written assignments in each of the following foundation modules:

- ^{1.15} i. Energy ~~Sources~~ Fundamental and Thermodynamics (Resources 1)
- ^{1.16} ii. Energy Infrastructure: Power Systems (Systems 1)
- ^{1.17} iii. Energy Demand (Services 1)

Also:

^{1.22}7. Candidates must satisfactorily complete the whole cohort exercise ~~Industrial visit~~ and associated dissemination activity to the satisfaction of the examiners.
Also:

Schedule of Themes and Modules

Resources

- ^{1.27}R1. Energy Sources Fundamentals and Thermodynamics
- ^{1.28}R2. Energy Conversion 1: Large Fixed Generation
- ^{1.29}R3. Energy Conversion 2: Distributed and Renewable Generation & Storage

Systems

- ^{1.30}Sy1. Energy Infrastructure
- ^{1.31}Sy2. Energy for Development
- ^{1.32}Sy3. Digitization, Smart Energy and Communication
- ^{1.33}Sy4. Energy Systems: Economics and Markets

Services

- ^{1.34}Se1. Energy Demand
- ^{1.35}Se2. Energy and Society
- ^{1.36}Se3. Energy Policy and Governance

Explanatory Notes

Revision to module names for clarity.
