The following seminars will be held on Mondays at 2.15 pm in the Physical and Theoretical Chemistry Laboratory Lecture Theatre unless otherwise stated. Conveners: Professors G Hancock and D E Manolopoulos.

Professor Paul Ewart

10 Oct.: 'Laser diagnostics for combustion: new light on an old flame'

Professor Christopher Ramsay

17 Oct.: 'Radiocarbon dating: measurement, modelling and applications'

Professor Alfred Leitenstorfer, Konstanz

24 Oct.: 'Ultrafast quantum photonics: single cycles of light and solid-state nanosystems'

Professor Sir Richard Friend, Cambridge

31 Oct.: 'Excitons and charge generation in molecular semiconductor solar cells'

Professor David Chandler, Berkeley

7 Nov.: 'Principles of self-assembly: stability, frustration and relaxation'

Dr David Rowley, UCL

14 Nov.: 'Halogen oxide free radicals: in the lab and in the atmosphere'

Dr Tuomas Knowles, Cambridge

28 Nov.: 'Kinetics of protein aggregation'

PHYSICAL AND THEORETICAL CHEMISTRY LABORATORY

Soft matter, biomaterials and interfaces seminars

The following seminars will be given at 4 pm on Tuesdays in the John Rowlinson Seminar Room (PTCL) unless otherwise indicated. All welcome. Conveners: Dr R P A Dullens and Professor R Golestanian.

Ho-Young Kim

11.15 am, 11 Oct.: 'Hydrodynamics of writing with ink'

Karsten Kruse

18 Oct.: 'Spontaneous actin waves'

Roland Winkler

25 Oct.: 'Mesoscale hydrodynamic simulation of polymers in flow fields'

Juergen Horbach

1 Nov.: 'From localization transitions to micro-rheology: the one-particle dynamics in glassforming soft-sphere mixtures'

Mustansir Barma

8 Nov.: To be confirmed

David McGloin

15 Nov.: 'Development of optical control techniques for aerosols, emulsion droplets and microbubbles'

Peter Keim

22 Nov.: 'Dynamic arrest in an amorphous 2D colloidal system'

Andrew Goodwin

29 Nov.: 'Structure determination of disordered materials'

THEORETICAL CHEMISTRY GROUP SEMINARS

The following seminars will be given at 4.45 pm on Mondays in the John Rowlinson Seminar Room (PTCL). All welcome. Convenor: Dr M Wilson.

Nigel Wilding, Bath

17 Oct.: 'Structure and phase behaviour of highly size-asymmetric fluid mixtures'

Elena Bichoutskaia, Nottingham

24 Oct.: 'Electrostatic analysis of the interactions between charged particles and clusters of dielectric materials'

Chris Pickard, London

7 Nov.: 'A theoretical glimpse of the chemistry of dense matter'

Fahmi Himo, Stockholm

21 Nov.: 'Quantum chemical modelling of enzymatic reactions'

e-Research Centre

The following seminars will be given at 2 pm on Tuesdays in the Access Grid Room (room 277).

Dr Hamish Carr, Leeds

11 Oct.: 'Continuity in scientific visualisation'

Dr Andrew Lyall, Cambridge

18 Oct.: 'ELIXIR: A sustainable infrastructure for biological information in Europe'

Alexander Papaspyrou, Germany

25 Oct.: 'Within code migration methodology for heterogeneous systems'

Dr Guillaume Barat, France

1 Nov.: 'Code migration methodology for heterogeneous systems'

Professor Helen Bailey, Bedfordshire

8 Nov.: To be confirmed

Dr Gwyndaf Evans, Diamond Light Sources

15 Nov.: 'Future needs and plans for macromolecular crystallography data analysis at diamond light sources'

Michael Pidd, Sheffield

22 Nov.: 'Research with impact: the digital humanities'

Dr Jerome Lewis, London

29 Nov.: 'Extreme citizen science: extending participatory sensing and sense making'

Department of Earth Sciences

The following seminars will be given on Fridays at 4 pm in the Seminar Room, Department of Earth Sciences.

Astor Lecture

Professor Brad Hacker, California at Santa Barbara

14 Oct.: 'Differentiation of the continental crust by relamination'

Dr Ian Hewitt, British Columbia

21 Oct.: 'Ice on a slippery slope: the role of meltwater beneath glaciers'

Dr Maria Schönbächler, Manchester

28 Oct.: 'The making of asteroids and the Earth - clues from the Pd-Ag chronometer'

Professor Katherine Cashman, Oregon

4 Nov.: 'Bubbles and bangs: volatile controls on magma fragmentation and grain size distributions'

Professor Paul Olsen, Columbia

11 Nov.: 'Empirical mapping of the chaotic evolution of the solar system'

Dr Jessica Irvine, Cambridge

18 Nov.: 'Hemispherical and smaller scale velocity structure in Earth's inner core'

Professor Emeritus Stephen Moorbath

25 Nov.: 'Reminiscences of an Oxford isotope geologist 1956-2011'

Professor Peter Cox

2 Dec.: 'Will the Amazon rainforest die back under global warming? The answer is in the noise'

Department of Engineering Science**SOLID MECHANICS AND MATERIALS ENGINEERING GROUP**

The following seminars will be given at 2 pm on Mondays in LR8, IEB Building, Department of Engineering Science.

Professor R D Adams

17 Oct.: 'Adhesive bonding: from ancient history to current challenges'

D M Williamson, Cambridge

24 Oct.: To be confirmed

31 Oct.: To be confirmed

E J Wielewski, Strathclyde

7 Nov.: 'An experimental investigation into the effects of microstructure and texture on the high strain rate behaviour of Ti-6Al-4V'

14 Nov.: To be confirmed

Dr C Pinna, Sheffield

21 Nov.: 'Effect of strain localisation on microstructure evolution in thermo-mechanically processed metals'

Dr I V Chenchiah, Bristol

28 Nov.: 'Surprises in monoclinic-I martensite'

Mathematical Institute

COMPUTATIONAL MATHEMATICS AND APPLICATIONS SEMINARS

The following seminars will be given at 2 pm on Thursdays in seminar room R10.48, Gibson Building, Mathematical Institute, except for the 3 and 17 November lectures, which will be given at 2 pm at the Rutherford Appleton Laboratory (RAL) near Didcot. Conveners: Professor Nick Trefethen and Dr Sue Thorne, RAL.

Professor Frederic Dias, Dublin and ENS Cachan

6 Oct.: 'The numerical computation of violent liquid motion'

Dr Peter Richtárik, Edinburgh

13 Oct.: 'Efficiency of serial and parallel block-coordinate descent methods for minimising composite functions'

Professor Hans Munthe-Kaas, Bergen

20 Oct.: 'Multivariate Chebyshev polynomials; theory and applications'

Professor Jörg Liesen, TU Berlin

27 Oct.: 'Writing the matrix adjoint as a rational function in the matrix can be interesting'

Dr Bora Ucar, ENS Lyon

3 Nov. (at RAL): 'On hypergraph partitioning based ordering methods for sparse matrix factorisation'

Dr Shahrokh Shahpar, Rolls-Royce

10 Nov.: 'SOPHY: an automated, aerothermal design and optimisation system for aero-engine components'

Professor Nancy Nichols, Reading

17 Nov. (at RAL): To be confirmed

Professor Ping Lin, Dundee

24 Nov.: 'Energy-law preserving continuous finite element methods for simulation of liquid crystal and multi-phase flows'

Professor Juan Restrepo, Arizona

1 Dec.: 'Climate, assimilation of data and models - when data fail us'

MATHEMATICAL BIOLOGY AND ECOLOGY SEMINARS

The following seminars will be given at 2 pm on Fridays in Lecture Room 1 at the Mathematical Institute. Conventor: Sara Jolliffe (cmb@maths.ox.ac.uk).

Dr R Endres, London

14 Oct.: 'Signal amplification and precise adaptation in bacterial chemotaxis'

Professor T Newman, Dundee

28 Oct.: 'Multicellular modelling using computers: biomechanical calibration, active processes, and emergent tissue dynamics'

Professor M Lewis, Alberta

11 Nov.: 'Connecting random walks to functional responses'

Professor T Hofer, Heidelberg

25 Nov.: 'Dynamic regulatory networks govern T-cell proliferation and differentiation'

MATHEMATICAL INSTITUTE COLLOQUIUM

Professor John Bush, Professor of

Applied Mathematics, MIT, will deliver the Mathematical Institute colloquium at 4.30 pm on 4 November in Lecture Theatre 2, Mathematical Institute, St Giles'.

Subject: 'Hydrodynamic quantum analogues'

Department of Physics

SPECIAL LECTURE New time: 5.30 pm

Dr John Grunsfeld, former Astronaut and Deputy Director of the Space Telescope Science Institute, Baltimore, will deliver a special lecture at 5 pm on 30 November in the Martin Wood Lecture Theatre, Clarendon Laboratory. This lecture will be ticketed. See: www.physics.ox.ac.uk/astro/Astro_Events/index.htm.

Subject: 'A Hubble story'

OXFORD PHYSICS COLLOQUIA

The following lectures will be given at 4.15 pm on Fridays in the Martin Wood Lecture Theatre, Clarendon Laboratory. Tea in the Common Room at 3.45 pm. Conveners: J March-Russell, R Davies and P Radaelli.

Professor David R Nelson

21 Oct.: 'Crystallography on curved surfaces'

Professor Joanna Haigh

28 Oct.: 'Solar variability and climate'

Dennis Sciama lecture

Professor Martin Rees

11 Nov.: 'Real and counterfactual universes'

Professor Peter Read

18 Nov.: 'Planets in perspective: in search of a "big picture" for planetary climate and atmospheric circulation'

Professor Jan Zannen

25 Nov.: 'Quantum criticality, high Tc superconductivity and the AdS/CFT correspondence of string theory'

PARTICLES AND FIELDS SEMINARS

The following seminars will be given at 4.15 pm on Thursdays in the Dennis Sciama Lecture Theatre, Department of Physics. Conventor: Professor Subir Sarkar and Dr Stefan Zohren.

Dr Harvey Meyer, Mainz

13 Oct.: 'Transport properties of the quark-gluon plasma'

Dr Thordur Jonsson, Iceland

20 Oct.: 'On the spectral dimension of causal triangulations'

Dr Thomas Schwetz-Mangold, MPI-K Heidelberg

27 Oct.: 'Are there sterile neutrinos at the eV scale?'

Professor Jan Ambjorn, NBI Copenhagen

3 Nov.: 'Lattice quantum gravity'

Dr Celine Boehm, Durham

10 Nov.: 'Can we solve the dark matter problem if no new physics is discovered at LHC?'

Professor Luigi Del Debbio, Edinburgh

17 Nov.: 'Discovering technicolor'

Professor Kari Enqvist, Helsinki

24 Nov.: 'Fluctuations along supersymmetric flat directions during inflation'

Dr Mrinal Dasgupta, Manchester

1 Dec.: 'Recent progress in QCD calculations for e+e- annihilation and hadron collisions'

Department of Plant Sciences

The following seminars will be given at 4 pm on Thursdays in the Large Lecture Theatre, Department of Plant Sciences. Conventor: Professor N Harberd.

Professor Peter Cook

13 Oct.: 'A model for all genomes: the role of RNA polymerases immobilised in specialised factories'

Dr Silke Robatzek, Sainsbury Laboratory

20 Oct.: 'Plants communicating with pathogens: membranes in motion and cellular responses'

Dr Antoine Kremer, Bordeaux

27 Oct.: 'Evolutionary responses of European oaks to climate change'

Professor Gero Steinberg, Exeter
10 Nov.: 'Motor cooperation in secretion: lessons from a plant pathogen'

Professor Richard Cogdell, Glasgow
17 Nov.: 'How purple photosynthetic bacteria harvest solar energy'

Mary Snow Lecture

Professor Deborah Charlesworth, Edinburgh
24 Nov.: 'From butterfly wings to plant sex chromosomes: ideas about recombination and why it is sometimes suppressed'

Dr Jenny McElwain, Dublin
1 Dec.: 'Impacts of global warming on plant biodiversity and ecosystem function: a 200 million year old case study from East Greenland'

Department of Zoology

The following lectures will be given at 4 pm on Mondays in Lecture Theatre B, Department of Zoology. Conveners: Professor K R Foster and Professor A Rogers.

Jenkinson seminar

Dr Peter Olson, Natural History Museum, London
10 Oct.: 'Development of *Hymenolepis microstoma* as a parasitic model in comparative evolutionary biology'

Dr Mike Cant, Exeter
17 Oct.: 'Fighting over the kids: reproductive conflict in cooperative breeders'

Dr Tommaso Pizzari
7 Nov.: 'The evolutionary ecology of polyandry'

Professor Chris Thompson, Manchester
14 Nov.: 'A simple developmental mechanism underlying complex social behaviour'

Dr Rebecca Kilner, Cambridge
21 Nov.: 'Co-evolution within the family'

Professor Nina Wedell, Exeter
28 Nov.: 'Polyandry and sex ratio drive'

Medical Sciences

Department of Biochemistry

JOEL MANDELSTAM LECTURE

Professor Pascale Cossart, Head, Unite des Interactions Bactéries-Cellules, and Director, INSERM Unit, U604, and INRA Unit, USC2020, Pasteur Institute, will deliver the Joel Mandelstam Lecture at 4 pm on 30 November in the Medical Sciences Teaching Centre Lecture Theatre. Entry by ticket only, available from: head@bioch.ox.ac.uk.

*Subject: 'Recent lessons from *Listeria monocytogenes*, a magnificent model in infection biology'*

Nuffield Department of Clinical Medicine

OXFORD CENTRE FOR DIABETES, ENDOCRINOLOGY AND METABOLISM

The following seminars will be given at 1 pm on Wednesdays in the Robert Turner Lecture Theatre, OCDEM Building, Churchill Hospital. Convener: Professor Stephen Gough.

Professor Mehul Dattani, UCL
12 Oct.: 'Congenital hypopituitarism: the plot thickens'

Dr Mirko Trajkovski, Institute of Molecular Systembiology, Zurich
19 Oct.: 'MicroRNAs in obesity-induced insulin resistance'

Professor Mark Hanson, Southampton
26 Oct.: 'Epigenomic influences on diabetes and obesity'

Professor Edward Brown, Brigham and Women's Hospital, USA
2 Nov.: 'The calcium-sensing receptor: guardian of normal calcium homeostasis and active participant in disordered mineral metabolism'

Professor Frans Schuit, Katholieke University, Leuven
9 Nov.: 'mRNA expression analysis as basis for metabolic research in the mouse'

Professor Thomas Solomon, Centre of Inflammation and Metabolism, Denmark
16 Nov.: 'Glucotoxicity, exercise and type 2 diabetes'

Professor Inês Barroso, Wellcome Trust Sanger Institute, Cambridge
23 Nov.: 'Genetic approaches to metabolic disease - extreme phenotypes and common disease'

30 Nov.: To be confirmed

LUDWIG INSTITUTE FOR CANCER RESEARCH

Signalling Pathways and Genetics of Cancer seminar series

The following seminars will be given at 11 am in the Ludwig Institute seminar room, ORCRB, Old Road Campus, Headington.

Professor Vinay Tergaonkar, IMCB, Singapore
24 Oct.: To be confirmed

Professor Andrew Turberfield
9 Nov.: 'Molecular machinery from DNA'

Dr John Stingl, CRI, Cambridge
14 Dec.: 'Mammary stem and progenitor cells: understanding the cellular context of breast cancer'

Distinguished speaker seminar

Professor Chris Marshall, ICR London, will give a distinguished speaker seminar at 2 pm on 18 November at the Richard Doll Building Lecture Theatre.

Cell polarity in health and disease workshop

The Cell polarity in health and disease workshop will be held on 28 and 29 November at Lady Margaret Hall. For further details and to register: www.ludwig.ox.ac.uk. Registration deadline is 31 October.

Department of Clinical Neurosciences

MICHAEL DAVYS LECTURE

Professor Kenneth Kendler, Professor and Eminent Scholar in Psychiatry, School of Medicine, Virginia Commonwealth, will deliver the Michael Davys Lecture in Neuroscience at 5.30 pm on 28 October in the Goss Lecture Theatre, Medical Sciences Teaching Centre, South Parks Road. Convener: Professor Jonathan Flint.
Subject: 'The genetic epidemiology of psychiatric and substance use disorders: an overview'

GRAND ROUNDS

The following seminars will be given at 11.30 am on Fridays in Lecture Theatre 1, Academic Block, John Radcliffe Hospital.

Professor Paul Matthews, GSK Clinical Imaging Centre and Imperial College, London

14 Oct.: 'Casting light on the dark side: new opportunities with a changing pharma model'

Dr Roger Barker, Cambridge Centre for Brain Repair
18 Nov.: 'The future of cell therapies for Parkinson's disease'

Professor Patrick Chinnery, Mitochondrial Research Group, Newcastle upon Tyne
9 Dec.: 'More from the magic circle: mitochondrial DNA and complex disease'

Sir William Dunn School of Pathology

DEPARTMENTAL RESEARCH SEMINARS

The following seminars will be given at 4 pm on Thursdays in the Lecture Theatre, Medical Sciences Teaching Centre.

Professor Mark Pallen, Centre for Systems Biology, Birmingham
13 Oct.: 'High-throughput sequencing in microbiology: opportunities and challenges'

Norman Heatley lecture

Dr Alexander Rudensky, Tri-Institutional Professor at MSKCC, Rockefeller and Cornell, Memorial Sloan-Kettering Cancer Centre
 27 Oct.: 'Control of immune homeostasis by regulatory T cells'

Professor Susan Lea

3 Nov.: 'Structural thoughts about pathogens and their hosts'

Professor Richard E Randall, St Andrews

17 Nov.: 'Comparisons between how influenza and paramyxoviruses interact with the interferon system'

Dr David Artis, Pennsylvania

24 Nov.: 'Mechanisms of immune regulation at barrier surfaces'

Dr Larry Samelson, National Institutes of Health, USA

8 Dec.: 'Signalling at the T cell antigen receptor'

Department of Physiology, Anatomy and Genetics

The following seminars will be given at 1 pm on Fridays in the Library, Sherrington Building, Department of Physiology, Anatomy and Genetics. Convener: Dr Deborah Goberdhan.

Dr Guillermina Lopez-Bendito, Universidad Miguel Hernandez

14 Oct.: To be confirmed

Dr Richard Wade-Martins

28 Oct.: 'Molecular insights into the mechanisms of neurodegenerative disease'

Dr Buzz Baum, UCL (Jenkinson Seminar)

4 Nov.: To be confirmed

Professor Shoumo Bhattachyra, Professor **Peter Ratcliffe** and **Dr Daniel Ebner**

11 Nov.: 'Target Discovery Institute: a program combining high content cellular phenotyping with genetic and chemical screens for target and pathway discovery'

Dr John Mitcheson, Leicester

18 Nov.: 'Molecular mechanisms underlying the hERG potassium channel gating and pharmacology'

Professor Scott Waddell

25 Nov.: 'Neural control of learned behaviour in the fly brain'

Professor Alex Verkhratzky, Manchester

2 Dec.: 'Physiology and pathophysiology of neuroglia'

Department of Primary Health Care**CONFERENCE**

The Monitoring and Diagnosis Oxford conference will be held on 11 November at St Anne's. All welcome. Details: www.madox.org or ruth.davis@phc.ox.ac.uk.

Subject: 'Evaluating the evidence for diagnostic tests. How can we improve bench to bedside process?'

Department of Psychiatry

Graham Dunn, Professor of Biomedical Statistics, Manchester, will deliver the Tuesday Evening Guest Lecture at 5 pm on 8 November, in the Seminar Room, Department of Psychiatry, Warneford Hospital.

Subject: 'Efficacy and mechanisms evaluation (EME): investigating mediation in RCTs of psychological interventions'

Social Sciences**School of Anthropology and Museum Ethnography**

The following seminars will be given at 3.30 pm on Fridays in the Lecture Room, 64 Banbury Road. Conveners: Dr R Parkin and Dr M Talib.

Thomas Kirsch, Konstanz

14 Oct.: 'Spirit in motion: notes on the morphology and mobility of the holy spirit in Africa'

Katy Gardner, Sussex

21 Oct.: 'The oil company, "partnership" and the moralities of giving and receiving: corporate community engagement comes to Bangladesh'

Helene Basu, Münster

28 Oct.: 'Ritual law courts: possession, mental disorder and the state in contemporary India'

Judith Okely

4 Nov.: 'Discovering anthropological practice through fieldwork'

Marion Demossier, Bath

11 Nov.: 'Beyond *terroir*: territorial construction, hegemonic discourses and French wine culture'

Holger Jebens, Frobenius Institute, Johann Goethe University, Frankfurt

18 Nov.: 'Beyond globalisation and localisation: pluralism in a Papua New Guinea village'

Claudia Liebelt, Bayreuth

25 Nov.: To be confirmed

Michael Herzfeld, Harvard

2 Dec.: 'Negotiating space, buying time: the performance of housing politics in a Bangkok community under siege'

INSTITUTE OF SOCIAL AND CULTURAL ANTHROPOLOGY: ETHNOGRAPHIC FILM SCREENINGS: THE CLASSICS AND BEYOND

The following screenings will be held at 4 pm on Tuesdays in the Lecture Room, 64 Banbury Road. Convener: Professor M Banks.

11 Oct.: *Kusum* (North India). (2000, 69 mins.) Director: Jouko Aaltonen

18 Oct.: *Nanook of the North* (Canadian Arctic). (1922, 55 mins.) Director: Robert Flaherty

25 Oct.: *Chronique d'un Été* (France). (1961, 87 mins.) Director: Jean Rouch

1 Nov.: *To Live with Herds* (Uganda). (1972, 70 mins.) Directors: David and Judith MacDougall

8 Nov.: *Trobriand Cricket* (New Guinea). (1973, 50 mins.) Directors: Gary Kildea and Jerry Leach

15 Nov.: *A Balinese Trance Séance* (Indonesia) and *Jero on Jero: A Balinese Trance Séance Observed* (Indonesia). (1980, 30 mins. and 16 mins.) Directors: Timothy Asch, Linda Connor and Patsy Asch

22 Nov.: *Forest of Bliss* (North India). (1985, 80 mins.) Director: Robert Gardner

29 Nov.: *Letter to the Dead* (New Guinea). (2002, 62 mins.) Directors: Andre Iteanu and Eytan Kapon

INSTITUTE OF COGNITIVE AND EVOLUTIONARY ANTHROPOLOGY SEMINAR

The following seminars will be given at 4 pm on mostly alternate Wednesdays in the Lecture Room, 64 Banbury Road. Conveners: Professor R Dunbar, K Opie and E Pearce.

Julia Lee-Thorp

12 Oct.: 'It's not what we thought: new isotope data provide fresh perspectives on early hominin diets'

Rogier Mars

26 Oct.: 'Comparative primate functional neuroanatomy using magnetic resonance imaging'

Anna Nekaris, Oxford Brookes

2 Nov.: 'Venom, pollinators and parasites: how the poisonous slow loris may reveal the origins of social grooming amongst primates'

Sallie Burrough

23 Nov.: To be confirmed

UNIT FOR BIOCULTURAL VARIATION AND OBESITY SEMINAR

The following seminars will be given at 1 pm on Thursdays in the Lecture Room, 61 Banbury Road. Convener: Professor S Ulijaszek.

Igho Onakpoya

3 Nov.: 'Herbal supplements for body weight reduction: a critical review'

Rosie Kay, Rosie Kay Dance Company

10 Nov.: "'5 SOLDIERS - the body is the frontline": embodying soldiers' physicality through research and training and how this approach affected the final production and audience experience'

Annamaria Carusi

17 Nov.: 'Modelling, simulation and visualisation in computational science: perspectives on embodiment'

Jed Hallam, VCCP (Advertising/branding agency)

24 Nov.: To be confirmed

FERTILITY AND REPRODUCTION STUDIES GROUP SEMINAR: COUSIN MARRIAGES AND THE MEDICALISATION OF SPOUSE SELECTION

The following seminars will be given at 11 am on Mondays in the Lecture Room, 61 Banbury Road. Conveners: Dr A Shaw, Professor A Raz and Dr P Kreager.

Saskia Walentowitz, Berne

10 Oct.: "'We are like gold: without alloys, we won't stand upright": siblingship, close-kin marriage and the autopoietic dynamics of Tuareg kinship'

Dawn Chatty and Nisrine Mansour

17 Oct.: "'They aren't all first cousins": Bedouin marriage in Lebanon'

Alison Shaw

24 Oct.: 'Why does British Pakistani cousin marriage persist despite an established discourse of genetic risk?'

Claire Beaudevin, Paris Descartes

31 Oct.: 'Composite proximity, genetic burden and social value: cousin marriage and inherited blood disorders in the Sultanate of Oman'

Laila Prager, Münster

7 Nov.: 'From shared "blood" to "religious genes": modern bio-medical discourses and changing practices of cousin marriage in southeastern Turkey'

Edien Bartels, Oka Storms, Marieke Teeuw, Pascal Borry and Leo ten Kate, Vrije University/VU University Medical Center, Amsterdam

14 Nov.: 'Genetic risk and its influence on partner choice: the views of Turks and Moroccans in the Netherlands'

Anika Liversage and Mikkel Rytter, National Centre for Social Research, Denmark and Aarhus

21 Nov.: "'A cousin marriage is a forced marriage!" Rules, discourses and strategies of immigrant cousin marriages in Denmark'

Aviad Raz, Ben-Gurion

28 Nov.: 'Dor Yesharim and the reinforcement of stigma: selective incorporation of premarital carrier testing into traditional matchmaking processes among ultra-orthodox Jews in Israel'

ETHNICITY AND IDENTITY SEMINAR: RELATEDNESS THROUGH THE HOUSE

The following seminars will be given at 11 am on Fridays in the Lecture Room, 61 Banbury Road. Conveners: Dr I Daniels and Professor E Hsu.

Charlotte Bruckermann

14 Oct.: 'Bringing the house to life in rural north China'

Anna Hoare

21 Oct.: 'The site, the common, the house and the body: re-reading Bourdieu's "habitus" and "field" from the Traveller site'

Tom McDonald, UCL

28 Oct.: 'From the soil: relations between floors and persons in the Chinese home'

Elisabeth Hsu

4 Nov.: 'The Shuhi house: historically grown, different cultural layers of relatedness in Southwest China'

11 Nov.: To be confirmed

Margherita Margiotti, Bristol

18 Nov.: 'Bodies, relatedness and density: a view from the Kuna house'

Inge Daniels

25 Nov.: 'The "untidy" house - tensions and blockages inside contemporary Japanese homes'

Erik de Maaker, Leiden

2 Dec.: 'Houses, land and legitimacy in northeast China'

ARGO-EMR ANTHROPOLOGY RESEARCH GROUP: EASTERN MEDICINES AND RELIGIONS: POLYSEMIC QI

The following seminars will be given at 5 pm on alternate Wednesdays in the Pauling Centre, 58A Banbury Road. Convener: Professor E Hsu.

Hans-George Moeller, Cork

12 Oct.: 'Qi in pre-Qin China'

Elisabeth Hsu

26 Oct.: 'Qi in early Chinese pulse diagnostics'

Yousang Baik, Kyunghee

9 Nov.: 'Qi and li in Neoconfucianism and Korean traditional medicine'

Volker Scheid, Westminster

23 Nov.: 'Qi in the genre of Chinese formularies (*fangjixue*)'

PITT RIVERS MUSEUM RESEARCH SEMINAR IN MATERIAL AND VISUAL ANTHROPOLOGY

The following seminars will be given at 1 pm on Fridays in the Lecture Theatre, Pitt Rivers Museum. Conveners: A Knight, T Morisawa and Dr A Stevenson.

Pitt Rivers Museum Staff

14 Oct.: 'Current research in the Pitt Rivers Museum'

Soumya Venkatesan, Manchester

21 Oct.: 'Art, agency and intentionality in the production of woven mats in craft communities in South India'

Fiona P McDonald, UCL

28 Oct.: 'Woollen blankets: an ethnography of contemporary art, craft and design in Aotearoa/New Zealand and Pacific North West of North America'

4 Nov.: To be confirmed

Udi Butler, Bristol

11 Nov.: 'The role of the visual in public anthropology'

Chiara de Cesari, Cambridge

18 Nov.: 'Memory voids and the transnational heritage of Europe'

Stephanie Moser, Southampton

25 Nov.: 'Designing antiquity: ancient Egypt at the Crystal Palace, 1854'

Kala Shreen, Madras

2 Dec.: 'Tracing the trajectory of artefacts and crafts of Tamilnadu'

WORKSHOPS

The Institute of Social and Cultural Anthropology and Department of Education will hold a workshop from 8.30 am to 2 pm on 19 November at 64 Banbury Road. Fee (including lunch) £12. Register by 1 November at: ann.lewis@anthro.ox.ac.uk. Subject: 'Teaching in the field: investigating the ethics of education in ethnographic research'

The Unit for Biocultural Variation and Obesity will hold a workshop from 9.30 am to 5.30 pm on 9 November at St Anne's. To register: <http://tinyurl.com/UBVOWorkshopNOV11>.

Subject: 'Obesity, eating disorders and the media'

Saïd Business School**CLARENDON LECTURES IN FINANCE – DYNAMIC FINANCIAL CONTRACTING**

Peter M DeMarzo, Mizuho Financial Group Professor of Finance, Stanford Graduate School of Business, will deliver the following lectures at 5.30 pm in Lecture Theatre 5, Saïd Business School. The first lecture will be followed by a drinks reception. All lectures free and open to the public. More information: michael.burt@oup.com.

26 Oct.: 'Compensation and investment dynamics in discrete-time models'

27 Oct.: 'Continuous-time contracting, optimal capital structure, and the Q-theory of investment'

28 Oct.: 'Learning and risk-taking in optimal contracts'

GLOBAL PEACE INDEX LECTURE

Steve Killelea, Chairman and Founder, Integrated Research Ltd, will lecture at 5.15 pm on 18 October in Seminar Room A, Saïd Business School.

Subject: 'Global Peace Index: economics and business development as drivers of peace'

NOVAK DRUCE SEMINAR ON PROFESSIONAL SERVICE FIRMS

Dr Claudia Jonczyk, ESCP Europe, will lecture at 2.30 pm on 7 November in Seminar Room 13, Saïd Business School.

Subject: 'Networking in professional service firms'

IBM CENTENNIAL LECTURE

Linda Sanford, Senior Vice President, Enterprise Transformation, IBM, will deliver the IBM Senior Executive Centennial Lecture at 6.30 pm on 4 November at the Saïd Business School. To register: <http://sbsibmcentenniallecture.eventbrite.com>.

Subject: 'Reinventing the modern corporation'

EXETER AT SAÏD SEMINAR

Dr Ralf Speth, CEO, Jaguar Land Rover, will deliver a seminar at 5.30 pm on 3 November at the Saïd Business School, followed by a drinks reception. To register: <http://sbsspth.eventbrite.com>.

Subject: To be confirmed

DISTINGUISHED SPEAKER SEMINAR

Dick Olver, Chairman, BAE, will deliver a Distinguished Speaker Seminar at 6 pm on 10 November at the Saïd Business School, followed by a drinks reception. To register: <http://sbsolver.eventbrite.com>.

Subject: To be confirmed

Department of Economics**ECONOMIC AND SOCIAL HISTORY RESEARCH SEMINAR**

The following seminars will be given at 5 pm on Tuesdays in the Wharton Room, All Souls. Conveners: Professor J Humphries, Professor K O'Rourke and Dr D Oxley.

Professor Alex Field, Santa Clara
11 Oct.: 'A great leap forward: 1930s depression and US economic growth'

Dr Jane Gray, NUI
18 Oct.: 'The circulation of children in early-twentieth-century Ireland'

Professor Mark Casson, Reading
25 Oct.: 'Population growth in nineteenth-century Oxfordshire: modelling the role of local markets'

Dr Sibylle Lehmann, Cologne
1 Nov.: 'Taking firms to the stock market: IPOs and the importance of universal banks in imperial Germany 1896–1913'

Professor Simon Szreter, Cambridge
8 Nov.: 'The Royal Commission on Venereal Disease 1913–16: a reappraisal of its evidence on the prevalence of VD'

Dr Tim Leunig, LSE
15 Nov.: 'Spinning welfare, driving progress: why process innovations are as important as new products'

Dr Nick Snowdon, Lancaster
22 Nov.: 'The Great Crash: early diagnoses in the light of the Lehman collapse'

Professor Joanna Bourke, Birkbeck
29 Nov.: 'Rhetorics of pain: historical reflections 1760 to the present'

Department of Education**PUBLIC SEMINAR PROGRAMME**

The following seminars will be given at 5 pm on Mondays in Seminar Room A, Department of Education, 15 Norham Gardens.

Professor Jo-Anne Baird
17 Oct.: 'Fast policy with PISA: will our children get their slice of the knowledge economy?' (Convener: Professor Anne Edwards.)

Professor Madeleine Grumet, North Carolina at Chapel Hill
24 Oct.: 'Already at work in the world: fictions of experience in the education of teachers' (Convener: Dr Viv Ellis.)

Dr Frances Gardner
31 Oct.: 'Parenting interventions: effective for preventing problem behaviour and improving child wellbeing?' (Convener: Professor Kathy Sylva.)

Professor Richard Noss, London Knowledge Lab, UCL

7 Nov.: 'Changing the subject: some fundamental roles for technology in learning' (Convener: Professor Terezinha Nunes.)

Professor Roger Brown, Liverpool Hope
14 Nov.: 'Markets rule, ok? The coalition government's reform programme in context' (Convener: Dr Hubert Ertl.)

Professor Harvey Goldstein, Centre for Multilevel Modelling, Bristol
21 Nov.: 'Francis Galton, measurement, psychometrics and social progress' (Convener: Professor Pam Sammons.)

Dr David Mills, **Dr Nick Hopwood** and **Professor Lynn McAlpine**
28 Nov.: 'The future of doctoral education?' (Convener: Professor Ingrid Lunt.)

OXFORD UNIVERSITY CENTRE FOR EDUCATIONAL ASSESSMENT SEMINAR SERIES ON THE PUBLIC UNDERSTANDING OF ASSESSMENT

The following seminars will be given at 5 pm on Wednesdays in Seminar Room A, Department of Education. Convener: Professor Jo-Anne Baird.

Anastasia de Waal, **Professor Roger Murphy** and **Warwick Mansell**
16 Nov.: 'Public and media perceptions of assessment'

Baroness Onora O'Neill and **Dr Suzanne Chamberlain**
18 Jan.: 'Perceptions of the dependability of assessment'

Lord Paul Bew and **John Bangs**, DfE representative (tbc)
7 Mar.: 'Policy-related perceptions of assessment'

Dr Paul Newton, **Sir Michael Barber** and **Professor Val Klenowski**
