

Maths and Physical Life Sciences Divisional Board

Approved at the meeting of the MMSC Supervisory Committee on 5 November 2024, approved by MPLS Division February 2025.

Title of Programme/ Name of Regulation

Master of Science by Coursework in Mathematical Modelling and Scientific Computing

Brief note about nature of change:

1. Minor wording change to reflect current practice

Location of change

In *Examination Regulations 2025*

<https://examregs.admin.ox.ac.uk/Regulation?code=mosbcimmandsciecomp>

Effective date

For students starting from MT 2024

For first examination from 2024-25

Detail of change

Amend citation 1.4:

1.4. Candidates will complete and be assessed on all the following parts:

- 1.5(i) Four written examinations on core course material in mathematical methods and numerical analysis. ~~These examinations will be organised within the department~~ [1 unit each];

Explanatory Notes

The minor wording change is to reflect current practice as these examinations are now conducted at the Examination Schools. This part of the clause is now redundant.
