Approved by Division 13 June 2022

Master of Philosophy in Philosophical Theology

Brief note about nature of change: minor amendment to papers offered

Location of change

<https://examregs.admin.ox.ac.uk/Regulation?code=mopinphiltheo&srchYear=2021&srchTerm=1&year=2020&term=1>

Effective date

For students starting Michaelmas Term 2022

Detail of change

1.3(a) to present themselves for a written examination in three papers prescribed below;
~~the selection to depend on their previous qualifications;~~

[...]

1.17 ~~as specified for the M.Phil. in Theology (paper 1 of Section A and paper 1 of Section C of the Christian Doctrine option).~~

Explanatory Notes

Tightening up the text in 1.3 since the students' previous qualifications are not the sole criterion by which they should decide on their paper choices;

Deleting the text in 1.17 that refers to the MPhil in Theology since this is incorrect.
