Mathematical and Physical Life Sciences Divisional Board

Approved at the meeting of the Mathematical and Computational Finance Supervisory Committee, held 20th June 2024. Chair's action MPLS Education Committee Trinity Term 2024

Master of Science by Coursework in Mathematical Modelling and Scientific Computing

Brief note about nature of change: Removal of course schedule (to be published in Course Handbook and on course webpages)

Location of change

In *Examination Regulations 2023-24* <u>2023-24</u>, <u>Master of Science by Coursework in</u> <u>Mathematical Modelling and Scientific Computing (ox.ac.uk)</u>

Effective date

For all students on course from MT24

For first examination from 2024-25

Detail of change

Amend citation references 1.14 – 1.15 as follows:

Schedule

****Mathematical methods including but not limited to ordinary and partial and stochastic differential equations, distributions, asymptotic, complex variable methods and the mathematics of data. Mathematical modelling and application of mathematics to problems in physical sciences, biology and medicine, industry and other areas.

¹¹⁵The numerical solution of ordinary and partial differential equations, numerical linear algebra, numerical methods for optimisation, approximation and scientific computing.

^{1,14}8. Syllabus and examination details will be published each year in the Course Handbook and on the course web pages by the beginning of Michaelmas Full Term in the academic year of the examination.

Explanatory Notes

In order to streamline all PGT Mathematics courses all schedules to be published on the course webpages and Course Handbooks.
