[For students starting before MT23: Doctor of Clinical Psychology and
Postgraduate Certificate in Supervision of Applied Psychological Practice

^{1.7}3.3.

^{1.8}(1) Nominations of examiners for the Degree of Doctor of Clinical Psychology and the ~~Postgraduate Certificate in Supervision of Applied Psychological Practice~~ shall be made by a committee comprising two persons elected by the Oxford Institute of Clinical Psychology Training and two persons elected by the

Medical Sciences Board.

Explanatory Notes

The PGCert Supervision of Applied Psychological Practice has been discontinued. From MT23, the DClinPsych will be fully delivered by the University and will no longer be validated provision. However, students remain on the validated provision version of the DClinPsych and therefore examination provisions need to remain within the Regulations for the Conduct of University Examinations.
