

MPLS Divisional Board

Approved at the meeting of the Chemistry Teaching Committee on 4 February 2025 and approved by MPLS Division February 2025.

Title of Programme/ Name of Regulation

Master of Science by Coursework in Theoretical and Computational Chemistry

Brief note about nature of change:

1. Minor change to wording to clarify deadline for resubmission of failed work

Location of change

In *Examination Regulations 2024/25*:

<https://examregs.admin.ox.ac.uk/Regulation?code=mosbcitandcompchem>

Effective date

For students starting from MT25

For first examination from 2025-26

Detail of change

^{1.7}5. Assessed work for any failed module may be resubmitted for consideration by the board of examiners before noon on the first working day of September. ~~before noon on 1st September for consideration by the board of examiners.~~

Explanatory Notes

This change has been made to clarify the regulations for the resubmission of assessed work to allow the work to be submitted on the first working day of September. Allowing submission to happen during usual working hours allows candidates to notify the department of any issues with electronic submission.
